Mr. Mars,

I am responding to your request for a Zoom call with Maksym. First, by including Anna on this email, you are in violation of the Domestic Violence Restraining Order issued against you and filed with the court on June 17, 2024. Anna will report this violation to the police. It is in your own best interest to cease violating the DVRO. An additional copy of the DVRO you were served with is attached for your reference.

Second, at this time, I must respectfully **decline your request for a Zoom call with Maksym.** Pursuant to the existing restraining order and the requirement that all contact with the child occur **only through professionally supervised visitation**—a Zoom call is not permitted unless it is arranged and supervised by the designated professional supervisor.

Additionally, I ask that all future communication remain respectful and appropriate. Messages containing inappropriate, foul, or disparaging language are not acceptable and will no longer be responded to. All communication must remain strictly limited to necessary scheduling and information related to the court-ordered visitation process, or the remaining issues in your dissolution of marriage proceeding.

Please direct any future requests for communications with Maksym through the appropriate supervised channels consistent with the current court orders.

Nancy Roberts

Fucked child traffickers, kidnappers and murderers brainless piece of shit Gnyda Hanna Nahorna (Gnyda Hanna Mars), and her criminal associate fucked crook Nancy Roberts,

My son **Max Mars** is celebrating his **10th Birthday Anniversary** this weekend, on November 23rd - **in unlawful detention where you hold my son hostage without right for a phone call** since **aggravated kidnapping of my son by you fucked crooks in September 2022**.

Fucked crooks Gnyda Nahorna and Nancy Roberts, **give me a zoom call with my son Max Mars on Sunday, November 23rd, at 12:00pm Pacific Time** - so I can greet my son Max Mars with Birthday and provide instructions how to escape from unlawful detention.

Confirm Sunday, November 23rd, 12:00 PM Pacific Time for a zoom call - and I will send you a zoom link that you fucked crooks will use to give me a call with my son.
