Dear Chief Trial Counsel of California Bar Association George Cardona,

I respectfully request you to immediately and indefinitely suspend attorney license of Steven Allen Dinneen (License No.: #254494) for severe fraud, malpractice, and participation in organized crime syndicate that facilitated international child abduction outside of the United States through bribing judges, falsification of court records, falsification of financial documents, manipulation of court proceedings, intentionally harmful motions and requests to court that were granted by bribed judges, severe abuse of judicial power, massive financial and documental fraud, threats and coercion.

Criminal syndicate which Steven Allen Dinneen is part of, consists of:

- Two unethical attorneys:
 - Steven Allen Dinneen, Lic. No.: #254494,
 - Nancy Lee Roberts, Lic. No. #187211,
- Steven's associate Ryan Daniel Romero (Lic. No.: #343300),
- Three corrupted judges:
 - Stephen Patrick Lowney, Lic. No.: 166306 - reported to government authorities and requested to be terminated for suspect of bribery in February 2024, after the very first month of his assignment in Dept 79 (Evidence 20, 21),
 - Andrea Elizabeth Flint, Lic. No.: 186714 - terminated for suspect of bribery in December 2023 (Evidence 14, 18, 19*),
 - James Earl Towery, Lic. No.: 74058 - terminated for suspect of bribery in 2022 after signing fraud DVRO which started this case (Evidence 15, 10, 11, 12*).

* It is well known fact that the Superior Court and Judicial Commission protect the reputation of judges, terminated for suspect of bribery. They conceal real reasons of termination, and call such termination a "voluntary resignation" - while the real reasons might be discovered only after deep investigation of multiple reports and investigatory cases related to termination of these corrupted judges (Evidence 20, 21, 14, 18, 19, 15, 10, 11, 12).

I also request your help to reimburse financial damages from Steven Allen Dinneen's fraud and malpractice through Client Security Fund in the amount of \$99,716.58, which include:

- \$45,586 of direct damages paid to Steven Dinneen and his official associates:
 - \$34,651 of "attorney fees" (Bills - Evidence 1),
 - \$10,655 of "expert fees" (Bills - Evidence 2)), which include:
 - \$6,000 of emergency screener fees (Bills - Evidence 2, page 1),
 - \$4,655 of paid supervisors fees (Bills - Evidence 2, all pages after 1)
- \$39,150 of damages from financial fraud by Steven Dinneen and his unofficial associate Nancy Roberts which was signed as

Attorney Misconduct Complaint

"stipulation and order 02/08/2023" (Evidence 5) - which caused unreasonably high amount of spousal and child support payments in total amount of \$3,624 per month (Evidence 5) - which is \$2,175 more than legally required \$1,449 (Dissomaster attached - Evidence 16).

This stipulation was based solely on financial fraud and falsified numbers provided by Nancy L Roberts and Steven Dinneen, and did not account neither community balances, nor financial situation of parties, nor Respondent's full time employment income, nor extremely harmful financial sanctions that Steven and Nancy with the help of bribed judge Flint put on me to force me to sign-off custody of my son.

All this information was provided to Steven Dinneen in evidence, financial declarations, paystubs, bank and loan statements in September 2022, as soon as we signed agreement of attorney representation (Evidence 7) - as it was required by the law for preliminary financial disclosures (which I drafted and gave Steven for "official" finalization).

Steven not only advised me to pay unreasonable maximum amount of spousal support, but completely ignored that fact that Respondent is hiding her income, and her attorney Nancy L Roberts refused to provide to court any proofs of income of her client - which confirms that Steven and Nancy already had unlawful and unfair agreements about how to rob me and put into bankruptcy.

Over the past 18 months unreasonable overhead of \$2,175 payment over legally required monthly support (\$3,624 - \$1,449 = \$2,175), totalled \$39,150 of financial damages caused by financial fraud made by stipulation signed by Steven and Nancy on 02/08/2023:

$\$2,175 \text{ monthly} \times 18 \text{ months} = \$39,150$

- \$8,085.06 of financial fraud with the car loan and car insurance payments (Evidence 17) for the last 18 months to Nancy's client that Steven refused to resolve back in February 2023, by refusing to neither to prepare Marital Settlement Agreement, nor setup Trial. Instead Steven was giving me intentionally harmful advices to pay for that car and insurance, keep all community debts, pay all extra payments, all paid supervised visits, all attorney and expert fees, and all financial damages possible - until the moment when I will go bankrupt and will be unable to afford neither attorney, no paid supervised visits. Financial fraud with keeping car loan for VW Tiguan that was physically in possession of Nancy's client (and even was signed off by bribed judge Flint, regardless of fact that loan is non-transferrable), led to financial damages due to Steven Dinneen intentional malpractice in amount of

$\$230.67/\text{month (loan payments)} + \$218.5/\text{mo (insurance payments)} \times 18 \text{ months} = \$8,085.06$

- \$6,895.52 of financial fraud with falsified amount of equalizing payment (Evidence 24), wrongfully ordered by bribed judge Flint, based solely on falsified numbers from Nancy L Roberts, which could be resolved by Steven Dinneen back in February 2023 as I requested, if Steven would either prepare MSA as I requested, or schedule Trial (he refused to prepare MSA without explanation, shared insight on what bribed judge Flint will order, and abandoned case - Evidence 25, 26).

Non-monetary damages caused by Steven Dinneen's malpractice and fraud, which cannot be reimbursed, and most probably will cause irreparable long-lasting damages to my son, and endanger life of my son due to ongoing war in Ukraine where international abduction of my son is intended to be, include:

- Facilitation of international child abduction of my son outside of the United States to Ukraine through orders of bribed judge Flint 06/29/2023 - despite massive amount of evidence and witness statements that I am primary parent and my child is abducted by mentally unstable mother who threatened to abduct child outside of the United States, who used fraud DVRO 2022 (Evidence 10) and bribery of judges to obtain documents of my son and facilitate international child abduction. Despite multiple requests for child abduction prevention orders, which I filed with the court, and which also were recommended by emergency screener - all of them were denied by bribed judge Flint, with participation of Steven Allen Dinneen and Nancy Lee Roberts, including dismissed trial on opposing DVROs (Evidence 4);

- Attempts, through fraud (Evidence 3), threats and coercion, to force me to sign harmful stipulation and order to sign-off custody of my son, give up passport and all documents of my son to opposing party (Evidence 3) - therefore facilitating international abduction of my son outside of the United States by violent abuser with documented history of child and elderly abuse, and documented history of international child abduction

- Domestic parental child abduction to undisclosed location, blocking all contact and enforced parental alienation for 2 years, through fraudulent DVRO 2022 (Evidence 10), prepared by Steven's associate Nancy L Roberts and signed by bribed judge Towery few months before his termination from superior court. Steven not only created mystery about that DVRO, hiding all provided evidence and witness statements, but intentionally harmfully advised me to never file any evidence with the court. Steven, together with Nancy, dismissed trial on opposing DVROs through stipulation (Evidence 4) - therefore intentionally removing possibility to clear fraud DVRO, restore custody and visitations, and restore healthy co-parenting - which lead to almost 2 years of highly contested litigations, enforced parental alienation and domestic violence against my son (See new DVRO 2023, Evidence 22, 23).

Attorney Misconduct Complaint

- Signing harmful stipulation on dismissing trial on DVROs (Evidence 4) and keeping harmful temporary full custody to mother-abuser, who has documented history of child and elderly abuse;
- Filing intentionally harmful peremptory challenge against impartial judge Honorable Christine Garcia-Sen (Evidence 6), therefore wasting my peremptory challenge, removing impartial judge, replacing her with corrupted judge Andrea E. Flint, and leaving me without peremptory challenge - therefore leaving me unable to replace corrupted judge Flint;
- Signing intentionally harmful stipulation on maximum child and spousal support (Evidence 5), which caused unreasonable financial damages in amount \$39,150 during past 18 months, wasted on spousal support (signed for me stipulation contains monthly payments that are \$2,175 more than legally required through Dissomaster, which for 18 past months summed up to \$39,150 of stolen money)
- Falsified multiple court orders and made a theatrical show from two doses of court hearings, obtaining intentionally harmful orders through bribed judges Flint and Towery, while completely ignoring legal and factual basis of the case, completely ignoring massive evidence and witness statements, and removing from court records signed expert recommendations and reports.

Massive fraud schema of international child abduction, with involvement of members of crime syndicate created by Steven Allen Dinneen and Nancy Lee Roberts, with the help of three bribed judges (Stephen Patrick Lowney, Andrea Elizabeth Flint, James Earl Towery), resulted in:

Series of consecutive intentionally harmful orders that facilitated international child abduction of my son outside of the United States,

Massive financial damages in amount of \$99,716.58, through intentionally harmful stipulations and court orders made by members of this crime syndicate and granted by bribed judges

Premature termination of two corrupted judges, suspected of bribery (Andrea E. Flint in 2023 and James E. Towery in 2022), reporting and request of disqualification for suspect of bribery for the third one (Stephen P. Lowney, February 2024), after the very first month of his assignment in Department 79 (where all three suspected of bribery judges acted).

With these facts, and attached evidence (1 - 26), it is obvious that Steven Dinneen was doing intentional harm while being hired by me - with intentionally harmful advices, repetitive harmful stipulations and orders, and actions of Steven Dinneen led to massive financial damages in amount of \$99,716.58, and total situation on the case to much worse condition than before Steven received the case. Even more, unfortunately, harm that was done by Steven Dinneen during period from September 2022 to March 2023 was made with knowledge about the fact that corrupted judge Andrea E. Flint is bribed, and with clear and obvious intentions to bankrupt me and make me unable to continue visitations with my son - to force me to sign-off custody, re-issue passport of my son and facilitate international abduction of my son outside of the United States to Ukraine, in times of war.

Such intentional harm to life of minor child, and to life of defenseless 95 years old senior woman with disabilities (my grandma, kicked from home by fraud DVRO, signed by bribed judge Towery, which caused terminal condition to defenseless 95 years old woman with disabilities), is absolutely impermissible and demonstrates severe and impermissible violation of professional and ethical standards.

Therefore I request attorney license #254494 of Steven Allen Dinneen to be suspended immediately and indefinitely, and request reimbursement of financial damages from Steven A. Dinneen fraud and malpractice in the amount of \$99,716.58 through Client Security Fund.

Appreciate your prompt attention to this matter.

Respectfully submitted,

February 24, 2024 Constantine Mars

Opposing unethical attorney. Was requested to be disqualified by Superior Court THREE TIMES. Escaped disqualification by bribing THREE CORRUPTED JUDGES. TWO corrupted judges were terminated from Superior Court for suspect of bribery, third one is currently investigated for suspect of bribery and is requested to be disqualified from Superior Court after being suspected in receiving bribe from Nancy Lee Roberts on the very first month of his assignment in Department 79 of Superior Court.

Previous complaint against Nancy Lee Roberts is re-sent for audit to Complaint Review Unit, because Trial Counsel who closed Complaint without consideration is suspected of being bribed by Nancy Lee Roberts (taking into account complete ignorance to provided evidence, and Nancy's massive and repeated use of bribery to avoid prosecution in both Superior Court and State Bar).

This is new complaint, based on completely new facts.

Dear Chief Trial Counsel of California Bar Association George Cardona,

I respectfully request you to immediately and indefinitely suspend attorney license of Nancy Lee Roberts (License No.: #187211) and ban Nancy Lee Roberts from any kind of attorney, judicial or political job indefinitely, which is supported by filed with the Superior Court, Presiding Judge Beth McGowen and Supervising Judge Brooke A. 3. Severe repetitive fraud and malpractice, recommending her client to abduct her child in violation of CCP 278.5 (Parental child abduction, punishable up to 3 years in jail and \$10,000 fines), advising her client to use child as hostage and demand me to sign-off custody in exchange for phone call with the child, advising and helping her client in blocking Emergency Screening in violation of court orders 10/31/2023 (Evidence 15 - Motion to hold Respondent in Contempt 3rd and Evidence 16 - Evidence, Evidence 17 - Motion to hold Respondent in Contempt 2nd and Evidence 18 - Evidence, Evidence 19 - Motion to hold Respondent in Contempt 1st, Motion to Disqualify unethical attorney Nancy L Roberts (3rd Amended Motion to Disqualify Nancy Roberts 02/20/2024 - Evidence 1 and Evidence - Evidence 2, 2nd Amended Motion to Disqualify Nancy Roberts 11/06/2023 - Evidence 3 and Evidence - Evidence 4, 1st version of Motion to Disqualify Nancy Roberts 06/09/2023 - Evidence 5)

5. Massive fraud and falsifications of court records - including falsified equalizing payment numbers, financial fraud and false representation of falsified by Nancy Roberts community bank statements in courtroom, falsifying court orders, obtaining harmful orders by bribed judges - including orders of bribed judge Flint on 06/29/2023, 07/31/2023, 11/13/2023, orders of bribed judge Lowney on 02/01/2024, 02/07/2024 (see Motion to Disqualify Nancy Roberts 3rd - Evidence 1, and Evidence - Evidence 2, Verified Statement of Disqualification of Lowney - Evidence 7, and Evidence - Evidence 8, Verified Statement of Disqualification of Flint - Evidence 11, and Evidence - Evidence 12), severe abuse of judicial power by bribed judges, during massive falsifications in favor of Nancy L Roberts, severe manipulation of court proceedings (including removal of court hearings from court calendar - including removal of Contempt hearing 02/27/2024, SOC for Final Trial on 03/19/2024, Final Trial on 02/05/2024), threats and coercion by Nancy and bribed judges (for example threats to put me into jail through contempt and silence me through vexatious litigant prefilling order by Nancy Roberts and Stephen Lowney on 02/07/2024 - see Verified Statement of Disqualification of Lowney - Evidence 7, and Evidence - Evidence 8);

6. Facilitation of massive severe harm to health, safety and life of minor child (my son Max, 8 yo) and defenseless senior woman with disabilities (my grandmom, 95 yo). My son was abducted by violent mother-abuser who was beating my son, physically and emotionally abused my son, abducted my son to undisclosed location and blocked all our contact, threatening to abduct my son outside of the United States and "bury our son in Ukrainian soil, so you will never see him again". Nancy L Roberts through fraud, falsifications and harmful orders of bribed judges attempted to force me to sign-off custody and force me to give up passport of my son to facilitate international child abduction of my son outside of the United States to Ukraine, in times of war in Ukraine (when THOUSANDS of children are already confirmed by UNICEF to be killed in war in Ukraine, and mother-abuser directly threatened to "bury our son in Ukrainian soil, so you will never see him again") (Evidence 15 - Motion to hold Respondent in Contempt 3rd and Evidence 16 - Evidence, Evidence 17 - Motion to hold Respondent in Contempt 2nd and Evidence 18 - Evidence, Evidence 19 - Motion to hold Respondent in Contempt 1st, Motion to Disqualify unethical attorney Nancy L Roberts (3rd Amended Motion to Disqualify Nancy Roberts 02/20/2024 - Evidence 1 and Evidence - Evidence 2, 2nd Amended Motion to Disqualify Nancy Roberts 11/06/2023 - Evidence 3 and Evidence - Evidence 4, 1st version of Motion to Disqualify Nancy Roberts 06/09/2023 - Evidence 5)

7. Facilitation of massive severe harm to health, safety and life of minor child (my son Max, 8 yo) and defenseless senior woman with disabilities (my grandmom, 95 yo). Nancy's client, violent abuser with documented history of child and elderly abused, used fraudulent DVRO 2022, signed by bribed judge Towery, to kick from home my grandmom, defenseless 95 years old senior woman with disabilities - which caused severe health damages and terminal condition to vulnerable defenseless 95

years old senior woman with disabilities. Nancy L Roberts on my question "why her client attempted to kill and kicked from home defenseless senior woman with disabilities which caused her terminal condition?" answered that "it was ok to kill granny - because she was very old, weak and will die anyways". I'm very sorry that I didn't record Nancy when she was saying that bullshit - because that's absolutely impermissible harassment and endorsement of violence against defenseless senior woman with disabilities, and such shameless unethical behavior must be prosecuted. (Evidence 15 - Motion to hold Respondent in Contempt 3rd and Evidence 16 - Evidence, Evidence 17 - Motion to hold Respondent in Contempt 2nd and Evidence 18 - Evidence, Evidence 19 - Motion to hold Respondent in Contempt 1st, Motion to Disqualify unethical attorney Nancy L Roberts (3rd Amended Motion to Disqualify Nancy Roberts 02/20/2024 - Evidence 1 and Evidence - Evidence 2, 2nd Amended Motion to Disqualify Nancy Roberts 11/06/2023 - Evidence 3 and Evidence - Evidence 4, 1st version of Motion to Disqualify Nancy Roberts 06/09/2023 - Evidence 5)

8. Impermissible pressure on Emergency Screener, and professional supervisors, which led to compromising of all supervised reports - documented emails, in attached evidence to motions of Disqualify Nancy L Roberts and Hold her client in Contempt (Motion to Disqualify unethical attorney Nancy L Roberts (3rd Amended Motion to Disqualify Nancy Roberts 02/20/2024 - Evidence 1 and Evidence - Evidence 2, 2nd Amended Motion to Disqualify Nancy Roberts 11/06/2023 - Evidence 3 and Evidence - Evidence 4, 1st version of Motion to Disqualify Nancy Roberts 06/09/2023 - Evidence 5, Evidence 15 - Motion to hold Respondent in Contempt 3rd and Evidence 16 - Evidence, Evidence 17 - Motion to hold Respondent in Contempt 2nd and Evidence 18 - Evidence, Evidence 19 - Motion to hold Respondent in Contempt 1st)

9. Severe repetitive fraud, malpractice, and organization of organized crime syndicate that facilitated international child abduction outside of the United States through bribing three judges of superior court, harmful unlawful financial sanctions financial and custody orders, threats and coercion of punishment and unlawful prosecution through bribed judges (Motion to Disqualify unethical attorney Nancy L Roberts (3rd Amended Motion to Disqualify Nancy Roberts 02/20/2024 - Evidence 1 and Evidence - Evidence 2, 2nd Amended Motion to Disqualify Nancy Roberts 11/06/2023 - Evidence 3 and Evidence - Evidence 4, 1st version of Motion to Disqualify Nancy Roberts 06/09/2023 - Evidence 5, Verified Statement of Disqualification of Lowney - Evidence 7, and Evidence - Evidence 8, Verified Statement of Disqualification of Flint - Evidence 11, and Evidence - Evidence 12)

- i. Stephen Patrick Lowney, Lic. No.: 166306 - reported to government authorities and requested to be terminated for suspect of bribery in February 2024, after the very first month of his assignment in Dept 79 (Verified Statement of Disqualification of Lowney - Evidence 7, Evidence - Evidence 8, Motion to Recuse Lowney - Evidence 9, Evidence - Evidence 10),
- ii. Andrea Elizabeth Flint, Lic. No.: 186714 - terminated for suspect of bribery in December 2023 (Verified Statement of Disqualification of Flint - Evidence 11, Evidence - Evidence 12, Verified Statement of Disqualification of Flint - Evidence 13, Evidence - Evidence 14*),
- iii. James Earl Towery, Lic. No.: 74058 - terminated for suspect of bribery in 2022 after signing fraud DVRO which started this case (Fraud DVRO 2022 signed by Towery - Evidence 22, Opposing DVRO 2022 with statement of facts - Evidence 23, Response to DVRO 2022 - Evidence 24, News about Towery resignation*).

* It is well known fact that the Superior Court and Judicial Commission protect the reputation of judges, terminated for suspect of bribery. They conceal real reasons of termination, and call such termination a "voluntary resignation" - while the real reasons might be discovered only after deep investigation of multiple reports and investigatory cases related to termination of these corrupted judges.

I also request your help to reimburse financial damages from fraud of Nancy L Roberts and her associate Steven A Dinneen, and their intentional malpractice through Client Security Fund in the amount of \$99,716.58, which include:

- \$45,586 of direct damages paid to Steven Dinneen and his official associates:

Attorney Misconduct Complaint

- \$34,651 of "attorney fees" (Bills - Evidence 30),
- \$10,655 of "expert fees" (Bills - Evidence 31)), which include:
 - \$6,000 of emergency screener fees (Bills - Evidence 31, page 1),
 - \$4,655 of paid supervisors fees (Bills - Evidence 31, all pages after 1)

- \$39,150 of damages from financial fraud by Nancy Roberts and her associate Steven Dinneen which was signed as "stipulation and order 02/08/2023" (Fraudulent stipulation 02/08/2023 - Evidence 26) - which caused unreasonably high amount of spousal and child support payments in total amount of \$3,624 per month (Evidence 26) - which is \$2,175 more than legally required \$1,449 (Dissomaster attached - Evidence 29).

This stipulation was based solely on financial fraud and falsified numbers provided by Nancy L Roberts and Steven Dinneen, and did not account neither community balances, nor financial situation of parties, nor Respondent's full time employment income, nor extremely harmful financial sanctions that Steven and Nancy with the help of bribed judge Flint put on me to force me to sign-off custody of my son.

Steven not only advised me to pay unreasonable maximum amount of spousal support, but completely ignored that fact that Respondent is hiding her income, and her attorney Nancy L Roberts refused to provide to court any proofs of income of her client - which confirms that Steven and Nancy already had unlawful and unfair agreements about how to rob me and put into bankruptcy.

Over the past 18 months unreasonable overhead of \$2,175 payment over legally required monthly support (\$3,624 - \$1,449 = \$2,175), totalled \$39,150 of financial damages caused by financial fraud made by stipulation signed by Steven and Nancy on 02/08/2023:

$\$2,175 \text{ monthly} \times 18 \text{ months} = \$39,150$

- \$8,085.06 of financial fraud with the car loan and car insurance payments (Statements - Evidence 32) for the last 18 months to Nancy's client that Steven refused to resolve back in February 2023, by refusing to neither to prepare Marital Settlement Agreement, nor setup Trial. Instead Steven was giving me intentionally harmful advices to pay for that car and insurance, keep all community debts, pay all extra payments, all paid supervised visits, all attorney and expert fees, and all financial damages possible - until the moment when I will go bankrupt and will be unable to afford neither attorney, no paid supervised visits. Financial fraud with keeping car loan for VW Tiguan that was physically in possession of Nancy's client (and even was signed off by bribed judge Flint, regardless of fact that loan is non-transferrable), led to financial damages due to Steven Dinneen intentional malpractice in amount of

$\$230.67/\text{month (loan payments)} + \$218.5/\text{mo (insurance payments)} \times 18 \text{ months} = \$8,085.06$

- \$6,895.52 of financial fraud with falsified amount of equalizing payment (Harmful order of bribed judge - Evidence 33), wrongfully ordered by bribed judge Flint, based solely on falsified numbers from Nancy L Roberts, which could be resolved by Steven Dinneen back in February 2023 as I requested, if Steven would either prepare MSA as I requested, or schedule Trial (he refused to prepare MSA without explanation, shared insight on what bribed judge Flint will order, and abandoned case - Evidence 25, 26).

Non-monetary damages caused by malpractice and unethical conduct of Nancy Lee Roberts, which cannot be reimbursed, and most probably will cause irreparable long-lasting damages to my son, me, my grandmom, and endanger life of my son due to ongoing war in Ukraine where international abduction of my son, facilitated by Nancy Roberts and her criminal associates, include:

- Facilitation of international child abduction of my son outside of the United States to Ukraine through orders of bribed judge Flint 06/29/2023 - despite massive amount of evidence and witness statements that I am primary parent and my child is abducted by mentally unstable mother who threatened to abduct child outside of the United States, who used fraud DVRO 2022 signed by bribed judge Towery (Evidence 22) and bribery of THREE judges to obtain documents of my son and facilitate international child abduction. Despite multiple requests for child abduction prevention orders, which I filed with the court, and which also were recommended by emergency screener - all of them were denied by bribed judge Flint, who is suspected to be bribed by Nancy Lee Roberts in April 2023, including dismissed trial on opposing DVROs (Evidence 25);

- Attempts, through fraud, falsification of court records, threats and coercion, to force me to abandon my son, sign-off custody and give up passport of my son - therefore facilitating international child abduction of my son outside of the United States to Ukraine. Well documented in 3rd Amended Motion to Disqualify Nancy Roberts 02/20/2024 - Evidence 1 and Evidence - Evidence 2, 2nd Amended Motion to Disqualify Nancy Roberts 11/06/2023 - Evidence 3 and Evidence - Evidence 4, 1st version of Motion to Disqualify Nancy Roberts 06/09/2023 - Evidence 5, Evidence 15 - Motion to hold Respondent in Contempt 3rd and Evidence 16 - Evidence, Evidence 17 - Motion to hold Respondent in Contempt 2nd and Evidence 18 - Evidence, Evidence 19 - Motion to hold Respondent in Contempt 1st, Verified Statement of Disqualification of Lowney - Evidence 7, Evidence - Evidence 8, Motion to Recuse Lowney - Evidence 9, Evidence - Evidence 10, Verified Statement of Disqualification of Flint - Evidence 11, Evidence - Evidence 12, Verified Statement of Disqualification of Flint - Evidence 13, Evidence -

Attorney Misconduct Complaint

Evidence 14

- Domestic parental child abduction to undisclosed location, blocking all contact and enforced parental alienation for 2 years, through fraudulent DVRO 2022 signed by bribed judge Towery (Evidence 22) , prepared by Nancy L Roberts and signed by bribed judge Towery few months before his termination from superior court. Nancy and Steven not only created mystery about that DVRO, hiding all provided evidence and witness statements, but dismissed trial on opposing DVROs (Evidence 25) - and attempt to avoid all hearings where this matter could possibly be heard (including avoidance of service of Contempt motion in November 2023, removed by bribed judge Lowney from court calendar Contempt hearing 02/27/2024, rescheduled SIX months later trial on DVROs 2023 - from 01/18/2024 to 06/17/2024, "forgotten" and dropped from calendar Custody Review hearing 01/18/2024 and 02/07/2024, and each and every occasion when I request evidentiary hearing).
- Signing harmful stipulation on dismissing trial on DVROs (Evidence 25) and keeping harmful temporary full custody to mother-abuser, who has documented history of child and elderly abuse;
- Signing intentionally harmful stipulation on maximum child and spousal support (Evidence 26), which caused unreasonable financial damages in amount \$39,150 during past 18 months, wasted on spousal support (signed for me stipulation contains monthly payments that are \$2,175 more than legally required through Dissomaster, which for 18 past months summed up to \$39,150 of stolen money)
- Falsified multiple court orders and made a theatrical show from two dosen of court hearings, obtaining intentionally harmful orders through bribed judges Flint and Towery, while completely ignoring legal and factual basis of the case, completely ignoring massive evidence and witness statements, and removing from court records signed expert recommendations and reports.
- Massive fraud schema of international child abduction, with involvement of members of organized crime syndicate created by Nancy Lee Roberts, with the help of three bribed judges (Stephen Patrick Lowney, Andrea Elizabeth Flint, James Earl Towery), resulted in:
Series of consecutive intentionally harmful orders that facilitated international child abduction of my son outside of the United States,
Massive financial damages in amount of \$99,716.58, through intentionally harmful stipulations and court orders made by members of this crime syndicate and granted by bribed judges
Premature termination of two corrupted judges, suspected of bribery (Andrea E. Flint in 2023 and James E. Towery in 2022), reporting and request of disqualification for suspect of bribery for the third one (Stephen P. Lowney, February 2024), after the very first month of his assignment in Department 79 (where all three suspected of bribery judges acted).

With aforementioned facts, and attached massive amount of evidence (1 - 33), it is obvious that Nancy Roberts is obtaining favorable orders solely through massive fraud and falsifications with the help of corrupted judges suspected of bribery.

Nancy's client is violent abuser, who abducted child, which is documented in massive amount of evidence, expert recommendations, supervised reports and witness statements, but Nancy still obtains favorable orders which go completely against legal and factual basis of this case - and sole reason for that is BRIBERY AND CORRUPTION.

You are provided information on SIX members of organized criminal syndicate, driven by Nancy L Roberts, who include two attorneys, one associate, and three bribed judges.

Repetitive falsifications, bribery of judges and officials, repetitive impermissible pressure on experts and supervisors, massive amount of defamatory falsehood allegations and harassment against me and experts, confirms that Nancy L Roberts intentionally and repetitively violates professional and ethical standards, and not only did irreparable harm to minor child, 95 years old senior woman with disabilities, innocent father (me), three bribed judges (dragged by bribery into case where their disqualification is inevitable), but did massive falsifications of court records and repetitively concealed nature of the case by massive and repetitive avoidance of service, removal of court hearings and evidence from court records, repetitive lies, defamatory falsehood allegations, threats and coercion.

Harm and fraud which Nancy L Roberts did during course of this case is absolutely impermissible, and must be stopped.

Therefore I respectfully request attorney license #187211 of Nancy Lee Roberts to be suspended immediately and indefinitely, her to be banned from any attorney, judicial or political job indefinitely, and request reimbursement of financial damages from Nancy Roberts fraud and malpractice in the amount of \$99,716.58 through Client Security Fund.

Appreciate your prompt attention to this matter.

Respectfully submitted,

February 20, 2024 Kostiantyn Mars
