Governor Gavin Newsom
Governor of California
California State Capitol
1021 O Street, Suite 9000
Sacramento, CA 95814

SUBJECT: URGENT REQUEST FOR INTERVENTION AND INVESTIGATION INTO JUDICIAL CORRUPTION, RACKETEERING, AND EXTORTION WITHIN SANTA CLARA COUNTY SUPERIOR COURT

Dear Governor Newsom,

I am writing to urgently request your direct intervention in addressing systemic corruption and organized criminal activity that has deeply penetrated the judicial system in Santa Clara County. As outlined in the enclosed documentation, I have been the target of a criminal enterprise involving high-ranking judicial officers and attorneys operating under the guise of legal authority.

These individuals have engaged in [racketeering, extortion, and judicial misconduct in violation of both federal and state law](#). Given the severity and scope of this misconduct, I am requesting an immediate independent investigation by state authorities, under your direction, and the disqualification of the involved judicial officers from further participation in any legal proceedings.

Background and Allegations

The judicial corruption involves, but is not limited to, the following:

1. Racketeering and Extortion under Color of Law: Judges Stephen Lowney, Andrea Flint, and James Towery, along with Attorney Nancy Roberts, have participated in a systematic campaign of racketeering and extortion. Their actions appear to be in violation of the Racketeer Influenced and Corrupt Organizations (RICO) Act (18 U.S.C. § 1961 et seq.) and the Hobbs Act (18 U.S.C. § 1951), as they have conspired to commit extortion through fraudulent judicial orders aimed at depriving me of my legal rights, property, and custody of my child.
2. Bribery and Judicial Disqualification Concealment: Attorney Nancy Roberts facilitated the bribery of multiple judges, resulting in a series of judicial disqualifications that were deliberately concealed from the public and from me as a litigant. These acts not only

undermine the integrity of the judicial system but constitute criminal obstruction of justice in violation of 18 U.S.C. § 1503 and 18 U.S.C. § 1512 (witness tampering).

3. Abuse of Judicial Resources: The involved judges have repeatedly used their judicial authority to enforce fraudulent financial orders, issue retaliatory restraining orders, and facilitate the abduction of my son, Max Mars, by his biological mother, despite overwhelming evidence of her abusive behavior. These actions reflect a wider pattern of judicial abuse intended to coerce me into abandoning my child and surrendering his passport, which would facilitate his international abduction to Ukraine during a time of war.
4. Retaliation and Financial Coercion: After exposing this corruption, I have been subject to unlawful arrests, vexatious litigant orders, and permanent restraining orders—all of which were issued by disqualified judges in direct retaliation for my attempts to seek justice. This retaliatory behavior is prohibited under 18 U.S.C. § 1513, which criminalizes retaliation against individuals who expose judicial corruption.

List of Criminals Involved in Organized Criminal Syndicate Committing Racketeering, Extortion and Fraud on Court Under Color Of Law in Santa Clara County Court:

1. Presiding Judge:

1.1 [Presiding Judge Beth McGowen](#). Department 17, [Old Courthouse \(OCH\)](#), 161 North First Street, San Jose, CA 95113, (408) 882-2280

Criminal activities: Concealed disqualification of THREE family court judges (Lowney, Flint and Towery - [confirmed by PAJAR](#)) and [refused to act on these disqualifications](#); [Refused to transfer case 22FL003144 to another department](#); [Refused to nullify all orders obtained by fraud on court on the case 22FL003144](#); Allowed disqualified judge Stephen Lowney to stay on the case 22FL003144 despite his disqualification due to impermissible conflict of interest, and personal threats that Lowney made against me, Petitioner on the case; Allowed disqualified judge Stephen Lowney to severely retaliate to me for statement of disqualification against him, supported by solid audio and video evidence - as result, Lowney retaliated by ordering my arrest, unlawful permanent restraining order against my son, denying request to change venue, denying request to nullify all orders obtained by fraud on court of three disqualified judges, blocked my divorce case completely - by denying not only final trial, but even bifurcation of divorce status.

2. THREE Disqualified Trial Court Judges:

2.1 [Stephen Lowney](#) - disqualified [02/20/2024](#) (one month after his assignment in Department 79 when he immediately received a bribe from Nancy Roberts). Lowney was served [FIVE](#) statements of disqualification: [02/20/2024](#), [03/11/2024](#), [03/12/2024](#), [06/14/2024](#), [06/20/2024](#), and was [reported to Commission on Judicial Performance 45 times](#) for racketeering, extortion, threats, coercion, severe repetitive fraud on court, falsification of court records and orders, facilitation of international child abduction, enforcing domestic violence and child abuse,

massive retaliation through severe abuse of judicial resources, including unlawful imprisonment. Despite [FIVE statements of disqualification](#), Lowney continued to act in proceedings on this case, and ordered [Vexatious Litigant prefiling order](#) against me, [my arrest through bench warrant](#), and [permanent restraining order against my son](#).

2.2 Andrea Flint - disqualified [11/13/2023](#) after committing THREE counts of severe repetitive fraud on court, threats, coercion, facilitation of international child abduction, enforcing domestic violence and child abuse, falsifying court records, making orders based on fraud and falsified bank statements. Andrea Flint was served TWO statements of disqualification ([11/13/2023](#), [11/30/2023](#)), [NINE](#) motions to recuse, was reported to Commission on Judicial Performance [NINE](#) times. Despite being disqualified on [11/13/2023](#), Andrea Flint severely retaliated against me by ordering a restraining order against me [11/28/2023](#), which was used to arrest me on 06/14/2024 for bringing donuts and hot chocolate to my abducted and beaten by his mother son.

2.3 James Towery - disqualified [12/06/2022](#) from another case, 6-12-FL-009065, where Lowney sold property of litigant, Susan Bassi, through trust of his relative and therefore received interest from "court ordered" and "court enforced" harmful sale of property. Crook Towery signed [initial fraud DVRO 09/13/2022](#) by which Hanna Mars attempted to murder defenseless 95 years old senior woman with disabilities, and caused her irreparable terminal damages, and abducted my son Max, and blocked our contact completely for already two years - after threats to "bury our son in Ukrainian soil, so you will never see him again".

3. TWO Lawyers Involved in Racketeering, Fraud and Extortion:

3.1 Nancy Roberts - [CalBar License #187211](#) - was requested to be [Disqualified FOUR times](#), bribed and led to disqualification three disqualified racketeers Lowney, Flint and Towery, all from the same case 22FL003144, during approximately one year. Caused lots of massive harm, committed repetitive fraud, gave harmful advices to her own client, suggesting on parental child kidnapping and blocking all contact with my child. CalBar complaints are pending

3.2 Steven Dinneen - [CalBar License #254494](#) - was acting in tandem with crook Nancy Roberts, and caused massive harm by malpractice, harmful advices and stipulations [2023-01-26 \[Roberts. Dinneen\] Stipulation to Dismiss Trial](#), and [2023-02-08 \[Nancy. Steven\] Stipulation on spousal support](#), [caused lots of harm](#), was fired from this case after attempt to coerce me to transfer custody of my son to my ex-spouse, and refusal to work on settlement agreement. CalBar complaints are pending.

4. Litigants Who Used Bribery, Racketeering, Fraud and Extortion of Government Officials, Judges and Lawyers, For Achieving Their Criminal Goals:

4.1 Hanna Mars, passport FF775503, Ukraine, DOB 02/19/1989, living in Sunnyvale, CA; and her father, **Serhii Nahornyy**, passport FE463201, Ukraine, DOB 05/03/1962. Hanna was on psychiatric treatment, but was never officially diagnosed. Severe desire to return to Ukraine made Hanna to repeatedly attempt to cancel our son's Green Card, and to take Max to Ukraine

for more than six months in 2019 - 2020. Using delay she by deceit obtained from me travel authorization consent document which allows her to travel with Max without my further approval. All she needed - was just passport. And she attempted to steal passport of our son, threatening that she will take our son to Ukraine forever and will "bury our son, so you will never see him again". After beating my son, such threats sounded scary - and I talked to her father Serhii Nahorny about possibility to improve mental health treatment, or consider other options. To which Serhii Nahorny said "advised" me to give up passport of my son and allow his daughter to abduct our son to Ukraine, or else they will kick me out from my home and "will bribe anyone we need to take Max away, so you will never see him again". Unhealthy, scary threats of person who has PTSD due to ongoing war in Ukraine, and who I invited to my home to stay away from dangers of war. The very idea of international abduction of my son outside of the United States to Ukraine by mentally unstable, socially dangerous woman, who was beating my son, made absolutely unreasonable threats to endanger life of our son, and caused irreparable harm to my grandmom, all those threats and Hanna's actions were extremely alarming. But I still tried to keep family whole and naively missed the moment when Hanna filed fraud DVRO, abducted my son, and went on repetitive bribery of judges to obtain full custody and Max's passport through fraud on court, racketeering and extortion.

Statements of Facts

Bribery and Disqualification of Judges

Attorney [Nancy Roberts](#) (bar license [187211](#)) bribed and led to the disqualification of three racketeering judges involved in case [22FL003144](#):

- [Stephen Lowney](#) (bar license [166306](#)) was disqualified in case [22FL003144](#) on [02/20/2024](#).
- [Andrea Flint](#) (bar license [186714](#)) was disqualified in case [22FL003144](#) on [11/13/2023](#).
- [James Towery](#) (bar license [74058](#)) was disqualified on [12/06/2022](#) in case [20126FL009065](#) following a scandal involving the public disclosure of organized crime within the court. Towery signed [fraud DVRO](#) on my case [22FL003144](#) which was used for attempt to murder defenseless 95 years old senior woman with disabilities, kicking her from home, and for parental child kidnapping - my son was abducted from school by biological mother, and she attempted to steal Max's passport for international child abduction, motivating it by order signed by disqualified judge Towery.

The father of Nancy Roberts' client, Serhii Nahorny, is a notorious Ukrainian racketeer with extensive experience in racketeering, extortion, and bribery of judges and government officials. In August 2022, he personally threatened me, stating they "will bribe anyone they need to take your son away so you will never see him again."

Their campaign of corruption began with bribing my attorney, [Steven Dinneen](#) (bar license [254494](#)), who subsequently "sold" me out by [signing intentionally harmful stipulations with](#)

[Nancy Roberts against my interests](#), causing massive financial damages. Dinneen even [attempted to convince me to transfer custody of my son, Max Mars, and surrender his passport](#) and other documents to Nancy Roberts' client.

Upon discovering Dinneen's betrayal, I terminated his services (a California Bar [complaint 24-O-13251](#), reimbursement case is pending).

Subsequently, Hanna Mars and Nancy Roberts escalated their bribery efforts, targeting judges, starting with **Andrea Flint**. Flint shamelessly committed repeated fraud upon the court by falsifying court records and orders on [06/29/2023](#), [07/31/2023](#), [11/13/2023](#), and finally signing a DVRO against me on [11/28/2023](#), despite being disqualified since [11/13/2023](#) and therefore having no judicial power.

Stephen Lowney, Flint's successor, accepted a bribe from Nancy Roberts during his first month in Department 79 in January 2024. He was disqualified the following month, on [02/20/2024](#), after being caught and recorded committing threats, coercion, extortion, and severe repetitive fraud upon the court on [02/01/2024](#) and [02/07/2024](#). He also removed the final trial from the calendar, blocking my divorce case from resolution to force me to abandon my son and surrender his passport and all documents to Nancy Roberts' client, **Hanna Mars**.

All three disqualified judges committed [racketeering and fraud](#) with a clear intent: **to force me to abandon my son Max, surrender his passport and documents, and facilitate his international abduction to Ukraine during a time of war**, thereby endangering the life of my son. Which is clear and systematic extortion. ([DVRO 2022](#) by Towery, [Custody fraud 06/29/2023](#) by Flint, [Threats of unlawful imprisonment 02/07/2024](#) with [recording](#) and [permanent restraining order 06/17/2024](#) by Lowney)

Max had already been kidnapped by his biological mother, Hanna Mars, held hostage in an undisclosed location without the right to phone calls for two years, and was beaten on his birthday, [11/23/2023](#), for hugging and talking to me. Following this, Hanna obtained a DVRO against me on [11/28/2023](#) signed by the disqualified Judge Andrea Flint, prohibiting Max from any contact with me, and used this order for my arrest on **06/14/2023** when I brought donuts and hot chocolate to my son.

Back in August 2022, in retaliation for my efforts to protect our son Max from abuse, Hanna Mars threatened to kill my 95-year-old disabled grandmother, abduct Max, and "bury him in Ukrainian soil, so you will never see him again." Plans to abduct Max to Ukraine were confirmed by a prior child abduction in 2019-2020 and witness statements ([Evidence 7 - 9 for Custody Review](#)) from family friends who heard Hanna express her intentions to **take Max to Ukraine during the war and never return**. Her father, Serhii Nahorny, confirmed these threats and stated that they would **"bribe anyone they need"** to make it happen.

On [September 15, 2022](#), two weeks after Max received his Green Card, Hanna abducted Max from school and evicted me and my disabled grandmother from our home, causing irreparable harm to my grandmother's health, which led to terminal condition. Hanna then moved Max to an

undisclosed location, blocking all contact and even phone calls, forcing Max to accept the inevitability of being abducted to Ukraine by his mother, who now had "**court orders**" to control him.

Hanna used a [DVRO](#) based on false allegations, signed by the disqualified and bribed Judge **James Towery** from Department 79, where all three disqualified racketeers resided.

Judicial Resources Abused by Disqualified Judges

The three disqualified judges—Stephen Lowney, Andrea Flint, and James Towery—massively abused judicial resources with clear and obvious racketeering intentions:

- **Enforcement of Parental Alienation:** [Repetitive restraining orders](#) and no-contact orders were issued by all three disqualified judges to enforce parental alienation and force me to abandon my son Max, with whom I have had no contact due to these "court orders" obtained by fraud.
- **Financial Coercion:** [Only paid professionally supervised visitations were ordered](#), designed to financially starve me and force me to abandon my son Max by making it impossible for me to afford visitation due to extreme financial hardship.
- **Fraudulent Financial Orders:** The maximum amount of child and spousal support was unwarrantedly "court-ordered" and signed in [stipulations](#) by Nancy Roberts and Steven Dinneen, intended to steal money from me through the abuse of DCSS and further financially starve me into abandoning my son.
- **Involvement of DCSS Without Justification:** DCSS was unjustly involved to turn my son Max into an automated source of income for Hanna Mars, who kidnapped him, holds him hostage at an undisclosed location without the right to phone calls, and is attempting to obtain his passport and sole custody through fraudulent "court orders" to facilitate his abduction to Ukraine. There, she would continue to receive automated payments through DCSS using my abducted son as a source of income.
- **Threats and Coercion:** Both Andrea Flint and Stephen Lowney threatened to imprison me if I did not abandon my son, "transfer custody," and surrender his passport and documents to his biological mother, Hanna Mars, who beaten my son on his birthday [11/23/2023](#). The disqualified judges Flint and Lowney ordered my arrest twice—on **06/14/2024** for allegedly violating the [invalid DVRO](#) signed by Flint on [11/28/2023](#) after her disqualification on [11/13/2023](#), and again on [06/17/2024](#) when Lowney issued a bench warrant in my absence after his own [disqualification](#) on [02/20/2024](#).
- **Financial Fraud Orders:** The court forced me to pay money I never had, based on [financial fraud perpetrated by Nancy Roberts and Andrea Flint](#). These orders were made against the community balance of assets and debts and disregarded all my bank and loan statements filed as evidence with the court (orders [11/13/2023](#), [02/01/2024](#)).
- **Threatening Letters from Judicial Authorities:** I received threatening letters from [Presiding Judge Beth McGowen](#) and [Assistant Executive Officer Lisa Herrick](#), where both high-ranking officials expressed their intent to protect, support, and endorse the organized criminal syndicate engaged in racketeering and extortion under the color of law in Santa Clara County Court. They threatened me with a restraining order from the

court and allowed the disqualified Judge Stephen Lowney to retaliate against me for filing five statements of disqualification against him, which included solid video and audio evidence of Lowney committing severe and repetitive fraud, threatening me, and engaging in [extortion to force me to abandon my son, surrender his passport and documents](#), and make unreasonable payments based solely on fraudulent court orders and falsified bank statements.

Retaliation for Exposing Judicial Corruption

I [documented the criminal activities](#) of the three bribed judges and two lawyers, requested the [disqualification](#) of the bribed judges, fired one lawyer, and sought the disqualification of the other. In retaliation, these individuals severely punished me by:

- **Issuing Two Arrest Orders:** They ordered my [arrest](#) twice under false pretenses, including for alleged violations of invalid DVROs.
- **Imposing a Permanent Restraining Order:** A [permanent restraining](#) order was issued against me, prohibiting all contact with my son Max.
- **Issuing a Vexatious Litigant Order:** A [Vexatious Litigant order](#) was unlawfully issued to silence me and prevent me from seeking justice.
- **Denying My Request to Nullify Fraudulent Orders:** They [denied my request to retroactively nullify all orders obtained through fraud on the court](#), which were issued by the three disqualified judges dating back to **09/13/2022**.

Wider Pattern of Racketeering in Santa Clara County

It is widely known that cases similar to mine are prevalent in Santa Clara County, often initiated through fraudulent DVROs based on false allegations. These cases frequently involve the abuse of judicial resources to steal money and property, primarily targeting men working in the IT industry. The [WEIRA organization](#) plays a significant role in promoting DVRO fraud through the "[Devchonki of Bay Area](#)" Facebook group for Russian-speaking immigrant women, who are often brought to the United States by their IT-employed husbands. Once these fraudulent cases are initiated, racketeers within the Santa Clara County Court system exploit the victims, stealing their money and property while pretending to conduct legitimate court proceedings. These activities also generate profit through "court-ordered" harmful services like emergency screenings and professionally supervised visitations, or by selling the victims' property through trusts owned by family members of those involved, as [was done by James Towery in the Bassi case](#).

Specific Violations by Presiding Judge Beth McGowen

Presiding Judge **Beth McGowen** has engaged in a series of unlawful actions that facilitated and concealed the misconduct of the disqualified judges, thereby [enabling their continued involvement](#) in case **22FL003144** despite their clear conflicts of interest. The specific violations include:

- **Obstruction of Justice:**
 - **18 U.S.C. § 1503** (Obstruction of Justice): By concealing the disqualification of Judges Stephen Lowney, Andrea Flint, and James Towery, and allowing them to continue presiding over my case, Judge McGowen obstructed the due administration of justice.
 - **18 U.S.C. § 1512** (Tampering with a Witness, Victim, or an Informant): Judge McGowen's actions may constitute witness tampering if they were intended to intimidate or retaliate against me for exposing judicial misconduct.
- **Conspiracy to Defraud the United States:**
 - **18 U.S.C. § 371** (Conspiracy to Commit Offense or to Defraud the United States): Judge McGowen conspired with other judges and attorneys to conceal judicial disqualifications and allow the issuance of fraudulent court orders.
- **Deprivation of Rights Under Color of Law:**
 - **18 U.S.C. § 242** (Deprivation of Rights Under Color of Law): By permitting the disqualified judges to issue retaliatory orders against me, Judge McGowen willfully deprived me of my constitutional rights.
- **Misprision of Felony:**
 - **18 U.S.C. § 4** (Misprision of Felony): Judge McGowen's failure to report the criminal conduct of the disqualified judges constitutes misprision of felony.
- **Retaliation Against a Witness or Party:**
 - **18 U.S.C. § 1513** (Retaliation Against a Witness, Victim, or an Informant): The retaliatory measures taken against me, including arrest warrants and a permanent restraining order, were intended to punish me for exposing judicial corruption.

Requests for Immediate Action

1. **Disqualification and Removal of Corrupt Judges**
 - I request the immediate disqualification and removal of Judges Stephen Lowney, Andrea Flint, and Beth McGowen from the Santa Clara County Superior Court. Their actions have not only violated numerous laws but also undermined the integrity of the judicial system. They should be permanently barred from holding any judicial or governmental office.
 - All orders issued in case **22FL003144** by these disqualified judges, dating back to **09/13/2022**, must be nullified retroactively due to the fraudulent and corrupt basis upon which they were made.
2. **Attorney Disqualification and License Suspension**
 - I request the immediate suspension of Attorney Nancy Roberts' license to practice law. Her involvement in bribing judges and facilitating judicial misconduct demands her immediate disqualification and suspension from legal practice.
3. **Transfer of Case to a Non-Corrupt Jurisdiction**
 - I request the transfer of case **22FL003144** to San Mateo County or another county with a lower incidence of corruption, to ensure that justice is administered fairly and impartially.

4. **Nullification of Retaliatory Actions and Unlawful Orders**

- All retaliatory actions, including the **Vexatious Litigant prefilling order of 03/11/2024**, unlawful debts, arrest orders, bench warrants, restraining orders, and no-contact orders issued by Judge Stephen Lowney, must be nullified. These orders were issued in bad faith and serve as tools of retaliation against me for my efforts to seek justice.
- Fraudulent financial orders issued on **02/01/2024** and **11/13/2023**, as well as harmful stipulations dated **01/26/2023** and **02/08/2023**, must be vacated and any related wage garnishments through DCSS should be terminated.

5. **Request for Witness Protection**

- Due to the serious threats posed by this criminal syndicate, I urgently request that I, my son Max, and his mother Hanna be placed in the **Witness Protection Program**. This should include the issuance of new Social Security Numbers, driver's licenses, and any other necessary protections to safeguard us from retaliation by these racketeers and their associates in the court system.

Conclusion

The actions taken by these individuals have not only violated numerous laws but have also undermined public confidence in the integrity of the judicial system. As the Governor of California, I implore you to take immediate action to address this systemic corruption and restore justice to those who have been wronged by these criminal actors.

Thank you for your attention to this urgent matter. I am available to provide further documentation and evidence as needed to assist with your investigation.

Sincerely,

Constantine Mars

10. **[Racketeering, Fraud and Extortion Evidence:](#)**
 - 10.1. **[Towery, count 1]** [Fraud DVRO 2022-09-13 signed by Towery](#), complete irrelevant nonsense, was used to violent attempt murder and terminally injure defenseless 95 years old senior woman with disabilities, and for abduction of my son Max Mars, motivated by “court orders”, signed by disqualified bribed racketeer Towery. This first act of racketeering and extortion was so shocking, that I was forced to seek lawyers help (who only worsened situation, gave intentionally harmful advices, stealing money and causing massive damages).
 - 10.2. **[Flint, count 1]** [2022-10-31 \[Flint\] \[DVRO\] Ordered supervised visits and emergency screening](#) - No contact orders, paid professionally supervised visitations, paid emergency screening, and refusal to hear trial on opposing DVROs was undeniable act of racketeering and fraud - despite obvious fact that [Hanna's fraud DVRO 2022](#) contained no facts of violence, and [my response DVRO](#) contained enough clear evidence to dismiss both DVROs, and release my son from unlawful detainment in “no contact” orders. In total Flint, Roberts and Dinneen caused damages with this order in amount of \$6,000 emergency screening + \$45,586 attorney and expert fees;
 - 10.3. **[Roberts, Dinneen, Flint 2 counts]** **Harmful stipulations** [2023-01-26 \[Roberts, Dinneen\] Stipulation to Dismiss Trial](#) and [2023-02-08 \[Nancy, Steven\] Stipulation on spousal support](#) caused massive harm, enforced parental alienation and domestic violence against my son, beaten on his birthday and harassed by his mother each time when he talked to me; caused massive financial damages - \$3,624 of unwarranted support x 24 months = \$86,976 money stolen from me through DCSS simply using my unpreparedness for fraud, and the fact that I

trusted my lawyer Steven Dinneen and crook Andrea Flint, who were committing racketeering instead of lawful ruling on the case.

- 10.4. **[Flint, Roberts, count 3]** [Custody transfer order 2023-06-29](#) ignored signed Emergency Screener Recommendations, that were [sent by Screener in email to Court](#). Transfer of custody from me to Hanna was not support by any fact or evidence, only by bribe received by Andrea Flint, who denied evidentiary trial and committed severe fraud on court together with Nancy Roberts.
- 10.5. **[Flint, Roberts, count 4]** [Financial fraud orders 2023-07-31](#) and stealing VW Tiguan were intended to cause massive financial damages, and force me to pay out car loan for VW Tiguan and transfer it to Hanna, also to provide Roberts some fictitious stock reports (which never existed - because I naively shared already all financial statements, and they already robbed me and put on a brink of bankruptcy). Main blocker of those orders was in the fact that Flint and Roberts already robbed me until the last cent, and I barely scrubbed couple of bucks for paying \$60 to file custody review request - definitely not enough to pay out \$6,000 for VW Tiguan. Those orders were used later for contempt against me.
- 10.6. **[Flint, Roberts, count 5]** Financial fraud by Andrea Flint and Nancy Roberts described in [CJP Complaint 8020 - 2024-07-20 - about 2023-11-13 \(financial fraud\) - Flint](#) - and in [Evidence for Complaint 2023-11-13 - against Flint \(financial fraud\)](#) (see video recordings, screenshots, actual bank documents)
- 10.7. **[Flint, Roberts, count 6]** [Repetitive refusal to recuse](#) and [denial of disqualification against Roberts](#).
- 10.8. **[Flint, Roberts, count 7]** [2023-11-28 Hanna's DVRO prohibiting to greeting Max with Birthday](#) - signed by Flint after her [disqualification 2023-11-13](#), therefore Flint had no judicial power to sign this order
- 10.9. **[Lowney count 1, Roberts count 8]** [2024-02-01 \[Lowney\] Fraud on court, sanctions \\$500 for request to reconsider financial fraud of Flint, reconsideration denied](#) - the very denial to reconsider financial fraud orders supported by clear evidence were act of extortion and coercion to comply with impermissible fraud. Plus Lowney punished me for request to reconsider by \$500 sanctions
- 10.10. **[Lowney counts 2 - 10, Roberts counts 8 - 16]** [2024-02-07 \[Lowney\] Major fraud on court on 9 matters - threats by jail, coercion to give up passport](#), etc - massive fraud on court, threats of unlawful imprisonment, extortion and coercion the best clarified in [Transcript](#) and [Audio Recording](#)
- 10.11. **[Lowney counts 2 - 5, Roberts counts 16 - 19]**. Massive manipulations with the court calendar: [Removal of Final Trial from Calendar](#) FIVE times, [2024-02-27 \[Lowney\] Contempt hearing against Hanna removed](#), [2024-03 All hearings squashed to 2024-06-17](#) .
- 10.12. **[Lowney count 6, Roberts count 20]** [Vexatious Litigant prefilng order 03/11/2024](#) was ordered against me after [Statement of Disqualification against Lowney was filed on 02/20/2024](#) - obvious retaliation of disqualified judge who had no judicial power due to disqualification. Vex Lit order is used to deprive me from fair access to court, block all my filings, harass me by coercing to accept helplessness against organized criminal syndicate of racketeers in court

- 10.13. **[Lowney count 7]** [2024-03-21 \[Lowney\] Change of Venue and Disqualify Nancy denied \[Modified by clerk\]](#) - Denied without hearing and consideration, by disqualified judge Lowney
- 10.14. **[Lowney count 8]** [2024-03-26 \[Lowney\] Massive manipulation of court calendar - all hearings to 06-17](#) - disqualified judge Lowney squashed all hearings to single date, instead of requested rescheduling to specific dates, allowing enough time to hear each matter.
- 10.15. **[Lowney count 9]** All repetitive [“Orders striking motion to recuse”](#) in fact addressing statements of disqualification, and simply stating that Lowney is bribed, extremely prejudiced, and refuses to recuse - continuing presiding over the case despite impermissible conflict of interest, and continuing to cause severe repetitive harm.
- 10.16. **[Lowney count 10, Roberts count 21]** [Bench warrant arrest order 06/17/2024](#) was ordered by Lowney after [FOUR Statements of Disqualificaiton](#) (first - [02/20/2024](#)) - obvious retaliation of disqualified judge who had no judicial power to act in proceedings
- 10.17. **[Lowney count 11, Roberts count 22]** [Permanent restraining order against my son Max](#) was ordered by Lowney after [FOUR Statements of Disqualificaiton](#) (first - [02/20/2024](#)) - undeniable act of EXTORTION, by which Lowney transferred custody of my son like ownership of a thing, completely ignoring my multiple requests for custody review and [evidence for custody review](#)
- 10.18. **[Lowney count 12, Roberts count 23]** [Denial of Bifurcation of Divorce Status](#) was ordered by Lowney after [FOUR Statements of Disqualificaiton](#) (first - [02/20/2024](#)) - undeniable act of retaliation and harassment, by which Lowney enforces fear and helplessness in front of organized criminal syndicate
- 10.19. **[Lowney count 13, Roberts count 24]** [Denial of Request to Disqualify Nancy Roberts 4th Amended](#) was ordered by Lowney after [FOUR Statements of Disqualificaiton](#) (first - [02/20/2024](#)) - undeniable act of retaliation and harassment, by which Lowney enforces fear and helplessness in front of organized criminal syndicate
- 10.20. **[Lowney count 14, Roberts count 25]** [Denial of Request to Nullify All Orders Obtained by Fraud on Court By Three Disqualified Bribed Crooks Lowney, Flint and Towery Retroactively Back to 09/13/2022](#) was ordered by Lowney after [FOUR Statements of Disqualificaiton](#) (first - [02/20/2024](#)) - undeniable act of threats, extortion and terror against me and my son Max, by which Lowney enforces fear and helplessness in front of organized criminal syndicate, demonstrating that CASE IS COMPLETELY BLOCKED, ALL HARMFUL ORDERS STAY ENFORCED BY HIS FRAUD ON COURT, AND THERE IS NO CHANCE TO RESOLVE CASE UNTIL LOWNEY WILL BE REMOVED.
- 10.21. **[Lowney counts 15 - 20, Roberts counts 26 - 30]** [2024-06-17](#) other 4 orders obtained by massive severe repetitive fraud on court committed by disqualified judge Lowney after [FOUR Statements of Disqualificaiton](#) (first - [02/20/2024](#)), in my absence, after I requested to reschedule all matters and allow enough time for proper removal of bribed crook Lowney from court - undeniable act of threats,

extortion and terror against me and my son Max, by which Lowney enforces fear and helplessness in front of organized criminal syndicate, demonstrating that CASE IS COMPLETELY BLOCKED, ALL HARMFUL ORDERS STAY ENFORCED BY HIS FRAUD ON COURT, AND THERE IS NO CHANCE TO RESOLVE CASE UNTIL LOWNEY WILL BE REMOVED.
