Complaint

On 02/07/2024 suspected of bribery crook ("judicial officer") Stephen Lowney lied on record in courtroom (committed perjury) - which was documented both in audio recording o hearing (which suspected of bribery crook denied together with all admissible types of evidence, including even request for court reporter, ADA accommodations and statement of decision), and in a minute order from that fraud on court "hearing":

"Hearing on petitioner's motion to disqualify attorney Nancy Roberts.

The Court hears from the parties.

The Court is not going to reconsider the prior ruling."

Lie No. 1: "The court hears from parties"

Suspected of bribery crook Lowney refused to hear matter, and denied evidentiary hearing, despite 37 pieces of evidence filed with the court with the Motion to Disqualify Nancy Roberts Amended (actually THIRD motion to disqualify Nancy for impermissible conflict of interest and repetitive severe unethical conduct)

Lie No. 2: "The Court is not going to reconsider the prior ruling."

This hearing was not about "reconsideration", but about "DISQUALIFICATION OF LAWYER". Lowney lied on record - and tried to make it look like matter was denied because "nothing changed" since past hearing held by disqualified crook Andrea Flint, who was bribed by Nancy Roberts and denied her disqualification the same way without hearing matter.

Please feel free to correct me and say that "judges do not take bribes" - but they obtain financial interest in different, more sophisticated ways.

This does not change the fact that both disqualified crook Flint and new crook Lowney had personal financial interest in the case - regardless of its nature.

Also there is well known myth that "judges usually deny disqualification of lawyers".

Impartial judge, who has no personal interest in the case, and is not ruling solely in favor of Nancy Roberts, will take into consideration:

1. Nancy bribed and led to disqualification of previous judicial officer Andrea Flint - disqualified 11/13/2023, removed from court by the end of December 2023
2. Nancy advised her client on parental child abduction (messages from Hanna Mars confirming that advice from Nancy included in evidence to Motion to Disqualify Nancy)
3. Nancy advised her client to block all contact with my son, and leave Max without phone (messages from Hanna Mars confirming that advice from Nancy included in evidence to Motion to Disqualify Nancy)

4. Nancy was making repetitive impermissible pressure on emergency screener and professional supervisors (included in evidence to Motion to Disqualify)
5. Nancy together with her criminal associate Andrea Flint removed signed emergency screener recommendations from court records on 06/29/2023
6. Nancy through bribery and fraud on court obtained favorable custody orders signed by her disqualified criminal associate Andrea Flint 06/29/2023
7. Nancy together with her criminal associate Andrea Flint committed massive financial fraud, including falsification of bank statements and community expenses on trial 11/13/2023 (was video recorded and reported to Commission on Judicial Performance, Presiding Judge Beth McGowen, and included in TWO Statements of Disqualification against Andrea Flint)
8. Nancy committed massive repetitive perjury, lied in courtroom, made false allegations in multiple declarations and court orders (including repetitive false allegations in TWO DVROs against me, and false allegations in minute order 06/29/2023 when Nancy and Flint removed signed emergency screener recommendations)
etc. - please review Motion to Disqualify Nancy Roberts (any version newer than 11/06/2023), and 37 pieces of evidence for Disqualification of Nancy Roberts.

Fraud on court, committed by Stephen Lowney, was well prepared - before this hearing he denied all admissible evidence, including Statement of Decision, Request for Court Reporter, ADA Accommodations with audio recording and transcript, Request to Audio and Video Record all proceedings, Media Coverage Request; and in addition - Lowney requested in-person presence on hearing 02/07/2023, to make it impossible to video record that hearing.

Besides denying disqualification of Nancy Roberts, Lowney also threatened to put me in jail through fabricated contempt to force me to abandon my son and transfer passport and all documents of my son to Nancy Roberts and her schizophrenic client, who promised to "BURY OUR SON IN UKRAINIAN SOIL, SO YOU WILL NEVER SEE HIM AGAIN", removed Final Trial from calendar, threatening that he will put me in jail and never finalize this case, and denied all other 11 matters.

I respectfully attach audio recording and transcript of massive fraud on court committed by disqualified crook Stephen Lowney, and Statement of Disqualification filed against him on 02/20/2024 as the result of this massive repetitive fraud on court committed by this suspected of bribery criminal.

Dear Commission on Judicial Performance and Chief Justice Patricia Guerrero,
I respectfully ask you for help to receive OFFICIAL CONFIRMATION OF DISQUALIFICATION AND NULLIFICATION OF ALL ORDERS OF STEPHEN LOWNEY AND HIS DISQUALIFIED PREDECESSORS ANDREA FLINT AND JAMES TOWERY.

I also respectfully ask you for help to ENSURE THAT NANCY ROBERTS IS OFFICIALLY DISQUALIFIED FROM THIS CASE, AND HER SEVERE REPETITIVE MISCONDUCT IS REPORTED TO CALIFORNIA BAR ASSOCIATION BY COURT STAFF (I ALREADY SUBMITTED MULTIPLE COMPLAINTS AGAINST NANCY ROBERTS, AND JUST NEED YOUR HELP WITH OFFICIAL SUPPORT FROM COURT).

Appreciate your prompt attention to this urgent matter.
Thank you
