AFFIDAVIT OF KOSTIANTYN MARS

About Aggravated Kidnapping of My Son Max Mars and Child Trafficking Outside United States to War Zone in Ukraine by Organized Group of Criminals from Ukrainian Criminal Cartel "Kodlo Gondona" Led by Serhii "Gondon" Nahorny, Father of My Ex Wife Hanna Mars, His Criminal Associate Ivan "Pedoffle" Omelchenko, and Their Criminal Associates From Santa Clara Mafia Cartel Presiding Judge Beth McGowen, and Three Disqualified Judges Acting Outside Jurisdiction - Stephen Lowney, Andrea Flint, and James Towery.

Immediately after the aggravated kidnapping of my son Max Mars, I tried to reach the kidnappers - Serhii "Gondon" Nahornyy, his daughter Hanna "Gnyda" Nahorna, his criminal associate Ivan "Pedofile" Omelchenko, and their criminal associates.

Gordon Nahorny and his daughter Gnyda refused to pick up - blocking contact with my son after kidnapping, and refusing to communicate.

Wife of Gondon Nahronyy, Irina "Suka" Nahorna picked up - and in response to me asking to release my son Max Mars from unlawful detention and refrain from international abduction of my son to the war zone in Ukraine, she answered that "You know who you are dealing with. My husband warned you that we will kill your mom and take your son to Ukraine - and you will not be able to do anything with that. You had to surrender the passport and all documents of your son to my husband and sign all the papers that he was demanding you to sign. Don't try to save your son - you will get more damage. You know who you are dealing with."

After that members of the family of Gondon Nahorny, his criminal associate Ivan “Pedophile” Omelchenko, and close friends of their family consistently refused to communicate.

Friend of Gondon's family Alexander Zakaznov to my request for help with establishing contact with my kidnapped son Max said: "You are wasting your time. They will not release your son".

Mother of Max's friend, Alena Chepakovich, provided an affidavit for court, clarifying that my ex-wife Hanna was frequently sharing plans to return to Ukraine and keep Max there - and

Dear Honorable Stephen P. Lowney,

Please find attached list of professionally supervised visit reports with my son Max Mars, compromised by impermissible pressure and defamatory falsehood allegations of unethical attorney Nancy L Roberts on emergency screener Dr Mary Rolison and professional supervisors (including Lorraine Ruiz).

Please also find attached list of evidence of impermissible pressure which unethical attorney Nancy L Roberts made on emergency screener Dr Mary Rolison and professional supervisors (including Lorraine Ruiz), with the goal to get redacted reports, made in favor of Nancy and her client.

Please also review attached fraudulent defamatory falsehood DVRO 09/13/2022, which Respondent and her unethical attorney Nancy L Roberts used to manipulate Court and abduct my son Max Mars, who after abduction with fraudulent DVRO Respondent held in undisclosed location, blocking all contact with my son, even phone calls, while Respondent attempted through fraud, falsifications and bribing judge Flint, to facilitate international child abduction of my son outside of the United States with threats to abduct and "bury our son in Ukrainian soil, so you will never see him again".

I appreciate if you could possibly review attached Respondent's DVRO from 09/13/2022 together with my opposing DVRO 09/19/2022 before proceeding with evidences of impermissible pressure on emergency screener and professional supervisors, to understand basis of the case - because matter of these DVROs was never heard by the Court, because unethical attorney Nancy L Roberts fraudulently dismissed trial on opposing DVROs, and later, bribed judge Andrea Flint refused to hear this matter, and refused to review any of more than 50 pieces of evidence and witness statements, forcing me to abandon my son and sign-off custody.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

**KEY STATEMENTS & MATERIAL FACTS
FROM TRANSCRIPT OF HEARING BEFORE THE JUDGE STEPHEN LOWNEY
(February 7, 2024)**

The following statements and exchanges from the official transcript and audio recording of the February 7, 2024 hearing demonstrate Judge Stephen Lowney's extortion of financial assets, vehicle title documents, and the minor child's identifying documents, coupled with explicit and implicit threats of adverse judicial action, including declaration as a vexatious litigant, denial of access to the courts, contempt proceedings, and further malicious prosecution.

Each entry provides the exact location and the verbatim text of the statements in the transcript. All excerpts are presented with sufficient surrounding context to establish the coercive nature of the exchanges establishing patterns of racketeering under color of law .

1. Coercion to Surrender 401(k) Retirement Funds and Insistence on Court-Appointed QDRO Expert Known For Financial Fraud

Judge Stephen Lowney required Petitioner to surrender control of his 401(k) account and directed that any division of the account would be handled exclusively through a court-appointed expert, Elizabeth Strasen, known for financial fraud, rather than through the standard Qualified Domestic Relations Order (QDRO) process available directly from the plan provider. Judge Stephen Lowney rejected Petitioner's proposal for an official QDRO prepared by the 401(k) administrator and stated that the matter would proceed only under Judge Stephen Lowney's designated expert known for financial fraud, thereby conditioning further proceedings on Petitioner's compliance with this demand.

2. Coercion to Transfer Vehicle Title and Surrender Vehicle Title Documents

During discussion of property division, Judge Stephen Lowney explicitly required Petitioner to immediately transfer and surrender the title documents for the vehicle at issue. Judge Stephen Lowney framed this as a non-negotiable condition for resolution of pending matters and indicated that failure to comply would result in continued adverse rulings and denial of relief sought by Petitioner.

3. Extortion of Minor Child Max Mars's Passport, Vaccination Records, and All Identifying Documents for Child Trafficking / International Abduction outside of the United States to Ukraine, Coupled with Threats of Vexatious Litigant Declaration and Denial of Court Access

Judge Stephen Lowney demanded that Petitioner surrender the minor child Max Mars's passport, vaccination card, and all other identifying and travel documents to enforce international abduction of Petitioner's son Max Mars outside of the United States to Ukraine - endangering life of Petitioner's son Max Mars due to ongoing war in that country. When Petitioner sought a custody review hearing, Judge Stephen Lowney conditioned any consideration of custody or visitation issues on immediate compliance with this demand. Judge Stephen Lowney expressly warned that continued resistance would result in Petitioner being declared a vexatious litigant, thereby barring him from filing any further actions or seeking relief in the California courts. This threat was made in direct response to Petitioner's requests for a custody review hearing, trial on the domestic violence restraining order, final trial on all issues, and bifurcation of marital status.

4. Denial of Custody Review Hearing, DVRO Trial, Final Trial, Bifurcation, and Settlement Conference as Leverage for Extortion

Petitioner requested an immediate custody review hearing, trial on the mutual domestic violence restraining orders, final trial on all remaining issues, and bifurcation of the marital status. Judge Stephen Lowney denied each request and removed the final trial and mandatory settlement conference from the calendar. Judge Stephen Lowney stated that these matters would not be heard unless and until Petitioner complied with the demands for the 401(k) account, vehicle title, and the minor child's documents. Judge Stephen Lowney further indicated that non-compliance would result in additional contempt proceedings and further malicious prosecution by the Court.

5. Additional Coercive Statements, Implicit Threats of Denial of Access to Court, Contempt and Further Malicious Prosecution

Throughout the hearing, Judge Stephen Lowney repeatedly framed Petitioner's requests for due process (custody review, evidentiary hearings, and trial) as contingent upon immediate surrender of the financial and custodial documents demanded. Judge Stephen Lowney stated that Petitioner's failure to provide the required documents and accounts would lead to the imposition of further pressure through the Court's contempt powers, denial of access to court, and further complication of proceedings. These statements, when viewed in the full context of the hearing, constitute coercion and extortion under color of law by conditioning fundamental constitutional rights (access to court, custody determination, and liberty) on Petitioner's compliance with the Court's extrajudicial demands for assets and documents - establishing patten of extortion and racketeering under color of state law.

Key Statements and Material Facts from Transcript of Hearing - February 7, 2024, Judge Stephen Lowney

These excerpts are corroborated by the full audio recording and certified transcript, both of which are included as Exhibits B-14 and B-15 in the Consolidated Evidence Binder. The pattern of demands for Petitioner's retirement funds, vehicle title, and the minor child's essential documents - paired with explicit threats of vexatious litigant status, denial of court access, contempt, and further prosecution - establish a clear record of coercion, extortion and racketeering under color of state law.

MR. MARS: Those orders were made against the factual and legal basis of the case.

JUDGE STEPHEN LOWNEY: The orders stand.

MR. MARS: I kindly request to stay this order until trial on opposing DVROs will be heard.

JUDGE STEPHEN LOWNEY: Denied. You must comply with the orders.

MR. MARS: Your Honor, my son will be abducted to Ukraine and will never return. There is a war. Max can die.

JUDGE STEPHEN LOWNEY: I want you to listen to the court. We have just gone over a vexatious litigant analysis. I've asked for further briefing. And I've asked to see all of the conduct in this case regarding filed motions. What is also really relevant to that designation and to the court in general is when you are ordered to do something by the court, that you comply - and that goes with both parties - and you are not complying. It's not good.

MR. MARS: Your Honor, I would love to comply, but first **I need this matter to be heard.**

JUDGE STEPHEN LOWNEY: You don't understand. So you do not set conditions on when the court orders are to be complied with. You just comply.

MR. MARS: Your Honor, this order **endangers the life of my son**, and the **court denies me to hear this matter.** What should I do?

JUDGE STEPHEN LOWNEY: The order is valid. You must comply.

MR. MARS: Your Honor, signature of **disqualified Judge Towery, who also was removed from court like Flint**, cost my mom her life, put her in terminal condition, because **respondent with signature of bribed Judge Towery kicked 95-year-old senior woman with disabilities from home and caused her death.**

JUDGE STEPHEN LOWNEY: Mr. Mars, you have to comply.
