Complaint

On 01/25/2024, suspected of bribery judge Stephen Lowney, unreasonably refused to hear 5 (FIVE) matters, scheduled on this day:

(1) Motion to Disqualify opposing counsel - filed 11/06/2023 after Nancy Roberts committed severe repetitive fraud with disqualified bribed judge Andrea Flint, including falsification of custody orders, and obtaining financial fraud orders with signature of Flint, using falsified bank statements;

(2) Request to Vacate stipulation 02/08 obtained by fraud, and Terminate spousal support - filed 10/02/2023. Conditions of stipulation were violated by my ex-wife, who instead of resolution of custody matters (as was agreed), kidnapped our child to unknown location and blocked all contact with my son, even phone calls;

(3) Set aside fraudulent custody orders 6/29/2023 - filed 08/30, and financial fraud orders 7/31/2023 - both obtained with the signature of disqualified suspected of bribery judge Andrea Flint, removed from court in December 2023 for suspect of bribery and severe repetitive fraud on court;

(4) Opposing DVROs November 2023 - Filed 12/01/2023 after my ex wife beaten my son Max on his birthday 11/23/2023 for hugging me and happily talking to me when I greeted Max with Birthday - which was video recorded and presented as video evidence to Court;

(5) Request to issue new passport for international child abduction of my son Max Mars outside of the United States to Ukraine in times of war, with threats to "bury our son in Ukrainian soil, so you will never see him again", Vexatious litigant pre-filing order against me to block me from requesting custody review and modification of harmful fraudulent custody orders - filed 11/6/2023;

Taking into account that current DVRO and custody orders were signed by disqualified suspected of bribery judge Flint, removed from court in December 2023, and the fact that active DVRO was signed by Flint 11/28/2023 when she had no judicial power to sign any orders due to her ongoing disqualification since 11/13/2023, and taking into account the fact that my ex wife was beating my son on his birthday while being video recorded - and video evidence was provided to Court - Lowney's refusal to hear matter of DVRO and nullification of harmful fraud custody orders on this date raised extreme concerns that Lowney might be bribed by Nancy Roberts same as it happened with previous disqualified judge Flint.

Stephen Lowney again, like 01/02/2024 and 01/18/2024 (when he removed and rescheduled previous hearings), was suspiciously winking to Nancy Roberts, making suspicious gestures like he is waiting for something from her, and making her favor by moving all hearings for later.

Those suspicious reschedulings raised concern that Stephen Lowney could be already bribed by Nancy Roberts, and is following unlawful agreement with Nancy Roberts to commit some further unlawful activity.

Later he committed massive act of severe fraud on court, which led to his first statement of disqualification 02/20/2024 for suspect of bribery, severe repetitive fraud on court, and impermissible conflict of interest.

Audio and video recordings, and additional evidence could be found in the List of Evidence for Statement of Disqualification against Stephen Lowney, filed 02/20/2024, attached.
