**Complaint**

On 01/19/2024 suspected of bribery judicial officer Stephen Lowney, through his clerk, requested my personal appearance in courtroom on upcoming hearing 02/07/2024 - to ensure that there will be no video recording of massive severe fraud on court which he planned to commit in favor of Nancy Roberts.

Nancy is a lawyer suspected of bribing Lowney on his first month of assignment in department 79, and who was requested to be disqualified already THREE times (next hearing on disqualification of Nancy - exactly that 02/07/2024).

Somewhere about this time suspected of bribery crook ("judicial officer") Stephen Lowney denied all allowed by rules of court ways to obtain admissible evidence:

1. Request for mandatory Court Reporter
2. Request for Statement of Decision
3. ADA accommodation for audio recording and transcript of proceedings
4. Media coverage request to video and audio record proceedings

In comment of denial of ADA accommodations Lowney put some prank comment recommending me to attend all hearings in person - obviously referring to video recordings of fraud on court committed by his disqualified predecessor Andrea Flint, video recording during committing severe repetitive fraud on court, including massive fraud on 11/13/2023 when Flint and Nancy Roberts granted harmful financial fraud orders, based on falsified by Nancy Roberts bank statements - presented to Flint for admission as evidence, which Flint granted.

Nancy Roberts, retaliating to me for disqualification of her criminal associate Andrea Flint, filed request to hold me in contempt of court for sharing with Presiding Judge Beth McGowen and Commission on Judicial Performance video recordings of repetitive fraud on court that she repetitively committed together with her criminal associate, disqualified judicial officer Andrea Flint.

Later, on 02/07/2024, Stephen Lowney committed massive severe repetitive act of fraud on court, which lead to the first statement of disqualification against him (at this moment there are already FOUR statements of disqualification against him served to Presiding Judge Beth McGowen).

From massive repetitive actions of Lowney, Flint and Nancy Roberts, it looks so far that there is some uncontrollable outbreak of organized crime in Santa Clara County Superior Court, committed by organized criminals under color of law, behind closed doors of courtrooms, without court reporters and without any publicity - and even worse, those criminal severely retaliate to anybody who requests lawful

publicity and compliance with the law in the courtroom.

Email from Lowney's clerk requesting personal appearance 02/07/2024 attached.

Requests for admissible evidence denied by Lowney, attached.

Statements of disqualification against Stephen Lowney, Nancy Roberts, and his disqualified predecessor Andrea Flint, attached.

Appreciate your prompt attention to this urgent matter.

Thank you
