Complaint

On 11/13/2023 suspected of bribery crook ("judicial officer") Andrea Flint refused to recuse themselves 8th time after I requested her recusal on record in courtroom (statement of disqualification was served next) - despite obvious and undeniable impermissible conflict of interest, confirmed by 8 motions to recuse against Andrea Flint, and statement of disqualification against Andrea Flint, filed 11/13/2023 and served to Presiding Judge Beth McGowen.

By CCP 170.1, 170.3 and 170.4, judicial officer who cannot be impartial - regardless of reasons (like personal financial interest, impermissible conflict of interest, etc) must recuse themselves from the case.

I requested recusal of Flint NINE times before filing Statement of Disqualification.

Each time Flint used the same template response "order striking motion to recuse" completely denying obvious and undeniable conflict of interest and extreme prejudice in favor of Respondent Hanna Mars and her lawyer Nancy Roberts suspected in bribing Flint in April 2023.

Flint had obvious and undeniable both personal financial interest in the case, and impermissible conflict of interest - after I requested her recusal and stated on record that I reported her to government authorities.

Flint was suspected in receiving bribe from Hanna Mars (Respondent) through her lawyer Nancy Roberts in April 2023, and confirmed personal interest in the case by massive fraud on:

- 06/29/2023 - falsification of court records, removal of signed emergency screener recommendations, ordering "transfer of custody" from primary parent (me) to abusive parent (Hanna Mars), who had documented history of domestic violence, child and elderly abuse, and documented history of international child abduction. Hanna Mars directly threatened that she would abduct my son to Ukraine in times of war and "bury our son there, so you will never see him again".

Despite about 60 pieces of evidence and multiple requests to review custody and grant child abduction prevention orders, Flint denied child abduction prevention orders and ordered transfer of custody from me to Hanna Mars - therefore endangering life of my son, putting him in hands of violent abuser, and facilitating international child kidnapping to Ukraine.

Flint also ordered me to abandon my son (no custody, only paid supervised visitations - without any reasons), and transfer passport and all documents of my son to Nancy Roberts (who was requested to be disqualified already TWO times for fraud, pressure on witnesses and experts and repetitive unethical conduct);

- 07/31/2023 Financial fraud, including transfer of VW Tiguan ownership (financed car, title cannot be

transferred until buyout);

- 11/13/2023 - Massive financial fraud on court, ordering financial fraud orders based on falsified and irrelevant bank statements, ordering \$6,000 equalizing payment against equalizing payment calculations, and against my bank statements (at that moment Nancy Roberts and Andrea Flint already robbed me to complete bankruptcy - I did not have \$6,000 ordered by disqualified crook Flint, and all bank statements were filed with the court to prove that this order cannot be made or complied with)

Harmful fraud orders obtained by fraud on court attached (06/29/2023, 07/31/2023, 11/13/2023).

Video recordings of impermissible misconduct and fraud on court committed by Andrea Flint 11/13/2023 attached - including full recording of trial 11/13/2023 and specific moments when Flint refused to recuse and used coercion to force me to continue trial which cannot be held with prejudiced and suspected of bribery judge, who is ruling completely against legal and factual basis of the case, ignoring all evidence, witness statements and the Law by itself.

Despite Statement of Disqualification filed 11/13/2023 was served to Presiding Judge, Presiding Judge Beth McGowen never responded to this statement of disqualification, and simply ignored it, making it look like Flint was "rotated" to another department, and disqualification was ignored.

Harmful fraud orders, obtained by fraud on court committed by Andrea Flint, are causing lots of harm even year after disqualified crook Flint was removed from Family Court.

Financial fraud 11/13/2023 was used by Nancy Roberts (requested to be disqualified already FOUR times, and facing multiple charges for repetitive bribery of judges and repetitive fraud on court), used in contempt motion against me - which later disqualified crook Stephen Lowney used to order my arrest.

Severe repetitive fraud on court by bribed and corrupted crooks Flint, Lowney and Towery is extremely annoying, and causes lots of harm.

I respectfully request your help to receive OFFICIAL CONFIRMATION OF DISQUALIFICATION AND NULLIFICATION OF ALL ORDERS of bribed crook ("judicial officer") Andrea Flint from case 22FL003144 retroactively back to 09/13/2022.

Please ensure that CONFIRMATION OF DISQUALIFICATION AND NULLIFICATION OF ALL ORDERS OF DISQUALIFIED CROOK ANDREA FLINT is sent to me regardless of fraud on court committed by Presiding Judge Beth McGowen, regardless of her attempts to deny and conceal disqualification of bribed crook Andrea Flint.

Appreciate your prompt attention to this matter.
Thank you
