

DENIAL OF REMOTE ACCESS TO FAMILY COURT HEARINGS FOLLOWING PUBLIC REQUESTS FOR JUDICIAL ACCOUNTABILITY

Description: This exhibit contains the Santa Clara County Superior Court’s administrative policy, effective January 1, 2025, which restricted remote appearances in family law matters by making in-person attendance the default and requiring prior court approval. The policy was implemented shortly after Petitioner’s public requests for removal of disqualified judges, nullification of void orders, release of minor child Max Mars, and change of venue. It demonstrates denial of meaningful access to court following Petitioner’s protected speech and requests for judicial oversight by the FBI and DOJ.

Unconstitutional Denial of Public Access To Court 2025-01-01 - Immediately After 2024-12-16 Public Message About Reporting Racketeering by Organized Criminal Group of Disqualified Judges to DOJ and FBI for Federal Prosecution

The rules for remote appearances have changed effective 1/1/25. For certain hearings you must ask the court for permission to appear remotely. Please review the Remote Appearance Matrix and Family Local Rules for further information.

If you wish to ask for court approval to appear remotely using video-conferencing (telephone appearances are not permitted) you must submit the following forms: RA-010 [Notice of Remote Appearance], MC-025 [Attachment] (to supplement your request), and a blank FM-1201 [Order Regarding Remote Appearance]. You must also serve all parties with a blank RA-015 [Opposition to Remote Proceeding]. Here is a sample packet of these forms.

Your request must be made at least 15 days prior to your hearing and you must provide notice to all parties. If you do not request and receive approval when approval is required, you must appear in-person. Parties are cautioned that failure to seek and obtain authorization for a remote appearance where one is required may result in a non-appearance or delay in the proceedings.

If you have obtained permission to appear remotely or your hearing is the type where a remote appearance is permissible without approval, please visit the court's portal for remote hearing access.
