SUMMARY OF EVIDENCE UNDER FED. R. EVID. 1006

Prepared Pursuant to Federal Rule of Evidence 1006

This summary is submitted to present the content of voluminous writings, recordings, transcripts, court orders, and other materials contained in this Consolidated Evidence Binder – Exhibit A. The underlying documents, which cannot be conveniently examined in court due to their volume (over 280 pages of exhibits plus supporting materials), are available for inspection upon request or as filed in this binder.

I. OVERVIEW OF THE EVIDENCE

The evidence establishes a clear, repeated, and ongoing pattern of conduct by disqualified judges, court officials, and related actors acting under color of law. This pattern includes:

- Systematic concealment and denial of timely judicial disqualifications.
- Repeated denial of custody review hearings and due process on critical parental rights matters.
- Use of void orders to enforce unlawful detention of minor child Max Mars and to facilitate international abduction.
- Extortion of money, 401(k) funds, passport, and documents through threats of incarceration and malicious prosecution.
- Fabrication of criminal charges, unlawful arrests, and issuance of void warrants.
- Retaliatory actions following Petitioner's protected speech and requests for judicial oversight.
- A consistent modus operandi that mirrors documented racketeering activity in Ukraine (2015) involving the same individuals and methods.

II. SUMMARY BY CATEGORY

Set 1 – Federal Filings and Jurisdictional Basis

Establishes federal jurisdiction under 28 U.S.C. §§ 1331, 1343, 1441, 1443, and 1455. Contains the Notice of Removal, Emergency TRO Motion, Civil RICO Complaint, and supporting authority demonstrating that the removed state proceedings involve substantial federal questions of constitutional rights, racketeering, and denial of due process.

Set 2 – Judicial Disqualifications and Void Orders

Contains verified statements of disqualification against Judges Stephen Lowney (Feb. 20, 2024 and prior), Andrea Flint (Nov. 13, 2023), and James Towery (Dec. 6, 2022 and Jan. 12, 2017). Includes official PAJAR confirmation that Presiding Judge Beth McGowen concealed these disqualifications from the Judicial Council. All subsequent orders issued by these judges after disqualification are void *ab initio* under California Code of Civil Procedure § 170.4(d).

Set 3 – Criminal Case B2402220 – Evidence in Support of Immediate Dismissal with Prejudice

Documents the fabrication of criminal charges, unlawful arrest (June 14, 2024), void bench warrants (Lowney – June 17, 2024; Williams – Aug. 21, 2024), arrest warrant (Clark – Oct. 23, 2024), and denial of access to body camera footage. Includes key statements from the Feb. 7, 2024 hearing before Judge Lowney showing extortion of money, 401(k), passport, and documents under threat of incarceration.

Set 4 – Evidence of Petitioner’s Active Pursuit of Custody Restoration and Systemic Denial of Parental Rights

Contains multiple custody review requests (2022–2024) and the consistent denial of those requests by disqualified judges. Demonstrates good-faith efforts to release Max Mars from unlawful detention and prevent international abduction to a war zone in Ukraine. Includes evidence of physical injuries to the child, supervised visitation reports, and CPS documentation.

Set 5 – Financial Extortion, Asset Seizure, and DCSS Wage Garnishment

Documents termination of employment, freeze of 401(k) account, denial of unemployment benefits, and ongoing DCSS wage garnishment exceeding \$200,000. Shows how void orders and disqualification violations were used to extract money and assets through extortionate means.

Set 6 – Pattern of Racketeering Activity and State-Level Cover-Up

Contains public records from Ukraine (2015) documenting the identical racketeering pattern (fabricated criminal charges, unlawful arrests, extortion, and hostile takeover) used by Serhii Nahorny and Ivan Omelchenko. Includes 54+ denied complaints to the California Commission on Judicial Performance and State Bar, plus correspondence to Governor Newsom, Attorney General Bonta, and federal officials that were ignored or denied.

Set 7 – Video and Audio Evidence of Extortion and Racketeering Under Color of Law

Contains audio and video recordings of court hearings showing fraud on the court, extortionate statements, denial of hearings, and physical incidents involving the minor child. Corroborates the pattern of racketeering and use of the child as leverage for extortion.

Set 8 – Service, Chain of Custody, and Authentication

Contains certificates of service, litigation hold notices, and the declaration authenticating all exhibits under Fed. R. Evid. 1006.

1 **III. CONCLUSION**

2 The evidence in this binder, taken as a whole, demonstrates a coordinated and continuing
3 pattern of racketeering activity under 18 U.S.C. § 1961 *et seq.*, constitutional violations under
4 42 U.S.C. § 1983, and the use of void judicial orders to deprive Petitioner of fundamental
5 parental rights and property. All originals and source materials referenced herein are available
6 for inspection.
