Kostiatyn Mars
P. O. Box 8081
San Jose, CA 95155

April 8, 2024

Dear Kostiantyn Mars,

Thank you for your correspondence with the Court. I have received and reviewed your filed-endorsed stamped cover letter to Judge Blecher and myself. One of my responsibilities as Presiding Judge is to investigate and respond to complaints of misconduct on the part of our Judicial Officers.

The law does not allow parties in litigation to dictate what judge will hear a specific matter. Rather, cases are randomly assigned in part to prevent any party from selecting a particular judge. Therefore, your request that your case be assigned to Judge Blecher is denied.

As to your complaint regarding Judge Lowney, (and Judges Towery and Flint before him), I have investigated the matter and find that you have provided no evidence of the corruption which you allege. Your request that Judge Lowney be "immediately resigned" from the Superior Court is denied. Your request for a stay on all orders is not properly before the court and therefore is also denied. Should you wish to have an order reconsidered, you may move to do so pursuant to the law. You may also proceed with a timely appeal.

The law also prevents the video recording and audio recording of all hearing. For any exception to this rule, the Judge hearing the matter must execute a prior written order granting permission for the recording.

Finally, if you wish to make a complaint regarding an attorney, please contact the State Bar of California who hears such matter.

Thank you for contacting the court,

Respectfully,

Beth McGowen
Presiding Judge
Santa Clara County Superior Court

Re: Department 79 - Remote Proceedings and Email Communications

Dear Mr. Mars:

The Court Executive Office has been informed that you have violated California Rules of Court, rule 1.150, Local Rules General Court and Administration, rule 2, Local Rules General Court and Administration, rule 3 and Santa Clara County Superior Court Standing Order re Use of Recording Devices by recording and posting Court proceedings.

In addition to California Rule of Court 1.150, General Court and Administration Local Rule 2, General Court and Administration Local Rule 9 and the Standing Order re Use of Recording Devices, at the beginning of every calendar in Department 79 all participants are advised that it is a violation of state and local rules to record or post proceedings. However, you have recorded and posted Court proceedings on your YouTube page in violation of the rules and order noted above. The recordings further reflect that you have been disruptive in Court proceedings in violation of General Court and Administration Local Rule 9, such that Judge Flint removed you from the proceeding before her.

Moreover, you have sent dozens of threatening, profane and disrespectful emails to the Court, disrupting Court business. The purpose of department email is to send courtesy copies of pleadings. Instead, you have used email repeatedly to litigate your case, copying every department in the Family Division, Presiding Judge Beth McGowen, and various other email addresses such as the Self-Help Center and ADA Coordinator. Your emails are disrespectful to the Court by referring to Judge Lowney by his first name and including profanity. Your emails make unfounded and unsupported allegations against Judges Flint, Lowney and Towery. Use of email to seek review of Judge Lowney and opposing counsel is improper. Use of email to request continuances is improper. Finally, it is

unacceptable to threaten to harm individuals at the Court. Your emails violate the policy and intent of allowing email access and are not the appropriate method to address the topics that you include in your communications.

To the extent you are dissatisfied with official Court rulings in a case you have pending before this Court, you may wish to consult an attorney. The Court Executive Office cannot provide legal advice or information about legal remedies that may be available to you.

To the extent the emails reflect complaints about a case or cases pending in this Court, the staff who manage the Departmental email are not authorized to intervene in a case on behalf of a party or discuss decisions or rulings in the case with you.

To the extent your emails include your arguments regarding the matters of the case, they are inappropriate and non-productive. Emails to the Court are not filed into the court file nor will they be provided to the judicial officers hearing your case.

You must immediately cease and desist sending emails. If you continue to send inappropriate and non-productive emails, the Court will take further action, including considering seeking a restraining order.

EXHIBIT A-23

DENIAL OF REMOTE ACCESS TO FAMILY COURT HEARINGS FOLLOWING PUBLIC REQUESTS FOR JUDICIAL ACCOUNTABILITY

Description: This exhibit contains the Santa Clara County Superior Court's administrative policy, effective January 1, 2025, which restricted remote access to family court by making in-person attendance the default and requiring prior court approval for most hearings (which is always denied). The policy change occurred shortly after Petitioner's public communications requesting removal of disqualified judges, nullification of void orders, release of Petitioner's son Max Mars from detention, and change of venue. This exhibit is demonstrating unconstitutional denial of access to court and retaliation following Petitioner's exercise of protected speech and reporting criminal members of Santa Clara Cartel to FBI and DOJ.

Unconstitutional Denial of Public Access To Court 2025-01-01 -
Immediately After 2024-12-16 Public Message About Reporting Racketeering by Organized Criminal Group of Disqualified Judges to DOJ and FBI for Federal Prosecution

The rules for remote appearances have changed effective 1/1/25. For certain hearings you must ask the court for permission to appear remotely. Please review the [Remote Appearance Matrix](#) and [Family Local Rules](#) for further information.

If you wish to ask for court approval to appear remotely using video-conferencing (telephone appearances are not permitted) you must submit the following forms: RA-010 [Notice of Remote Appearance], MC-025 [Attachment] (to supplement your request), and a blank FM-1201 [Order Regarding Remote Appearance]. You must also serve all parties with a blank RA-015 [Opposition to Remote Proceeding]. Here is a [sample packet](#) of these forms.

Your request must be made at least 15 days prior to your hearing and you must provide notice to all parties. If you do not request and receive approval, when approval is required, you must appear in-person. Parties are cautioned that failure to seek and obtain authorization for a remote appearance where one is required may result in a non-appearance or delay in the proceedings.

If you have obtained permission to appear remotely or your hearing is the type where a remote appearance is permissible without approval, please visit the [court's portal](#) for remote hearing access.
