Dear Mr. Mars,

These are both standard orders. If you do not agree to sign the document as is, we will have to proceed to trial and the likelihood of the court making those orders anyway is very strong. Please let us know how you wish to proceed.

Best Regards,

---	---

Exhibits:

Petitioner and respondent are sworn.
All above listed parties appear via MS Teams.
Hearing held re: dispute over documents (custody recommendation of Dr. Mary Rollson) submitted to the Court by petitioner.
The Court hears from the parties.
Dr. Mary Rollson is present and sworn and is directly examined as to the recommendations in her report.
The Court finds that petitioner submitted falsified documents (fraudulent copy of Dr. Mary Rollson's recommendations) to the Court.
Based on the falsified documents submitted by the petitioner, the Court denies petitioner's request to modify custody/visitation.

The Court makes the following orders:

- Mother shall have sole legal and sole physical custody of the minor child.
- Father shall have professionally supervised visits with the minor child.
- Petitioner is ordered to provide all legal documents pertaining to the minor child requested by attorney Nancy Roberts directly to attorney Nancy Roberts. Attorney Nancy Roberts will be tasked with keeping these documents. Ms. Roberts is permitted to show to mother documents at her office, if requested by mother.
- All previous orders not in conflict with these orders remain in full force and effect.

28	1. Coercion to Surrender 401(k) Retirement Funds and Insistence on Court-Appointed

	Judge Stephen Lowney required Petitioner to surrender control of his 401(k) account and		
	directed that any division of the account would be handled exclusively through a		
	court-appointed expert, Elizabeth Strasen, known for financial fraud, rather than through the		
	standard Qualified Domestic Relations Order (QDRO) process available directly from the plan

	by the 401(k) administrator and stated that the matter would proceed only under Judge Stephen		
	Lowney's designated expert known for financial fraud, thereby conditioning further		
	proceedings on Petitioner's compliance with this demand.

Max and Dad talk about a class. Max says I don't go to that class anymore. Dad asks, because you're English is so good. Max removes his sweater and wraps his sweater around his waist. Dad hands Max a business card. Max asks, what's this? Dad says my business card in case you ever want to call me. Dad says I know your mom says you can't. Max says stop talking about my mom! Dad says it's okay, you can call me if you like. Max places the cards in his backpack.

Max says I don't have GTA on my phone anymore. I don't have that phone anymore. Max says I moved schools and houses. Dad says I know that. Max asks, how do you know that? Dad says you told me at the last visit. Max says I didn't tell you. Dad says it's been a long time ago, maybe you don't remember. Dad says I do not get to talk to you, Mom says no. Max says stop talking about my mom or I just won't talk to you! Dad says Max that would be very devastating let's not talk about that. Max says okay.

All walk towards ducks. Max hands Dad his backpack. Dad grabs his backpack and grabs bread. Dad asks, would you like to feed them? Max says no. Max runs by the ducks. Max asks, do you want to sit on a bench. Dad says sure, let's go. Max sits on a bench. Dad sits on a bench across from Max. Max pulls out his phone and says I still have the same password, okay? Dad says okay. Dad says I can sit close. Dad stands and sits next to Max. Max says these are the games I have. Dad says that's cool. Max pushes buttons on his phone. Dad says this looks really simple. Max says these are kind of easy but look at this. Max pushes buttons on his phone. Dad says nice! Dad pushes buttons on his phone. Max says that is not my avatar, that is my old account. Max says I have no internet. Dad says can you turn your phone towards Christina? Max turns his screen facing VM. Dad pushes the airplane mode button and says I thought maybe it would work. Dad says there is No SIM, that means no communication. Dad says I just want it noted. Dad snaps a picture of Max' phone showing no SIM card. Max asks, why do you always talk about my mom? Dad says I cannot talk about your mom. These are the rules. Max says now you cannot have my username to play with me. Dad says okay. Dad says can you put on your sweater; it is cold. Max says no I'm not cold. Dad asks, what if I ask you to? Dad removes his flannel and places it on Max. Max says I'll put on my own hoodie. Dad says okay. Max grabs his sweater from his waist and places it on. Max pushes buttons on the phone. Dad leans towards Max and looks at the screen. Dad asks, what do you think, maybe we can sit near the water and play, it will be warmer. Max plays the game. Max says choose one, hard or easy. Dad says hard, I like red, it's my favorite color. Max plays the game. Dad asks, how does Pokémon work? Does it require internet? No response from Max.

Max asks, can we go play? Dad says sure. Dad says but you do not have my number if you get lost. Max says can you please not talk about this in front of people. Dad asks, why? Max says I don't like when people hear. Dad says okay.

Max says let's play tag. Dad counts. Max climbs up the play structure. Max steps off the play structure. Dad asks, are you not able to call me? Max says Bro do you have to talk about that every single time? I don't like it, please stop talking about that! Max says count to ten, let's play again. Dad says okay. Max runs towards the playground area. Dad counts aloud. Dad and Max play tag.

IMPORTANT NOTE: Under Standard 5.20 of the California Standards of Judicial Administration (Uniform Standards of Practice for Providers of Supervised Visitation), the supervised visitation report should include facts, observation, and direct statements regarding parent-child contact and not any opinions or recommendations.

DECLARATION 2ND AMENDED	CASE NUMBER: 22FL003144

Dear Honorable Stephen P. Lowney,

Please find attached list of professionally supervised visit reports with my son Max Mars, compromised by impermissible pressure and defamatory falsehood allegations of unethical attorney Nancy L. Roberts on emergency screener Dr Mary Rolison and professional supervisors (including Lorraine Ruiz).

Please also find attached list of evidence of impermissible pressure which unethical attorney Nancy L. Roberts made on emergency screener Dr Mary Rolison and professional supervisors (including Lorraine Ruiz), with the goal to get redacted reports, made in favor of Nancy and her client.

Please also review attached fraudulent defamatory falsehood DVRO 09/13/2022, which Respondent and her unethical attorney Nancy L. Roberts used to manipulate Court and abduct my son Max Mars, who after abduction with fraudulent DVRO Respondent held in undisclosed location, blocking all contact with my son, even phone calls, while Respondent attempted through fraud, falsifications and bribing judge Flint, to facilitate international child abduction of my son outside of the United States with threats to abduct and "bury our son in Ukrainian soil, so you will never see him again".

I appreciate if you could possibly review attached Respondent's DVRO from 09/13/2022 together with my opposing DVRO 09/19/2022 before proceeding with evidences of impermissible pressure on emergency screener and professional supervisors, to understand basis of the case - because matter of these DVROs was never heard by the Court, because unethical attorney Nancy L. Roberts fraudulently dismissed trial on opposing DVROs, and later, bribed judge Andrea Flint refused to hear this matter, and refused to review any of more than 50 pieces of evidence and witness statements, forcing me to abandon my son and sign-off custody.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Max and Dad talk about a class. Max says I don't go to that class anymore. Dad asks, because you're English is so good. Max removes his sweater and wraps his sweater around his waist. Dad hands Max a business card. Max asks, what's this? Dad says my business card in case you ever want to call me. Dad says I know your mom says you can't. Max says stop talking about my mom! Dad says it's okay, you can call me if you like. Max places the cards in his backpack.

Max says I don't have GTA on my phone anymore. I don't have that phone anymore. Max says I moved schools and houses. Dad says I know that. Max asks, how do you know that? Dad says you told me at the last visit. Max says I didn't tell you. Dad says it's been a long time ago, maybe you don't remember. Dad says I do not get to talk to you, Mom says no. Max says stop talking about my mom or I just won't talk to you! Dad says Max that would be very devastating let's not talk about that. Max says okay.

All walk towards ducks. Max hands Dad his backpack. Dad grabs his backpack and grabs bread. Dad asks, would you like to feed them? Max says no. Max runs by the ducks. Max asks, do you want to sit on a bench. Dad says sure, let's go. Max sits on a bench. Dad sits on a bench across from Max. Max pulls out his phone and says I still have the same password, okay? Dad says okay. Dad says I can sit close. Dad stands and sits next to Max. Max says these are the games I have. Dad says that's cool. Max pushes buttons on his phone. Dad says this looks really simple. Max says these are kind of easy but look at this. Max pushes buttons on his phone. Dad says nice! Dad pushes buttons on his phone. Max says that is not my avatar, that is my old account. Max says I have no internet. Dad says can you turn your phone towards Christina? Max turns his screen facing VM. Dad pushes the airplane mode button and says I thought maybe it would work. Dad says there is No SIM, that means no communication. Dad says I just want it noted. Dad snaps a picture of Max' phone showing no SIM card. Max asks, why do you always talk about my mom? Dad says I cannot talk about your mom. These are the rules. Max says now you cannot have my username to play with me. Dad says okay. Dad says can you put on your sweater; it is cold. Max says no I'm not cold. Dad asks, what if I ask you to? Dad removes his flannel and places it on Max. Max says I'll put on my own hoodie. Dad says okay. Max grabs his sweater from his waist and places it on. Max pushes buttons on the phone. Dad leans towards Max and looks at the screen. Dad asks, what do you think, maybe we can sit near the water and play, it will be warmer. Max plays the game. Max says choose one, hard or easy. Dad says hard, I like red, it's my favorite color. Max plays the game. Dad asks, how does Pokémon work? Does it require internet? No response from Max.

Max asks, can we go play? Dad says sure. Dad says but you do not have my number if you get lost. Max says can you please not talk about this in front of people. Dad asks, why? Max says I don't like when people hear. Dad says okay.

Max says let's play tag. Dad counts. Max climbs up the play structure. Max steps off the play structure. Dad asks, are you not able to call me? Max says Bro do you have to talk about that every single time? I don't like it, please stop talking about that! Max says count to ten, let's play again. Dad says okay. Max runs towards the playground area. Dad counts aloud. Dad and Max play tag.

IMPORTANT NOTE: Under Standard 5.20 of the California Standards of Judicial Administration (Uniform Standards of Practice for Providers of Supervised Visitation), the supervised visitation report should include facts, observation, and direct statements regarding parent-child contact and not any opinions or recommendations.

DECLARATION 2ND AMENDED	CASE NUMBER: 22FL003144

Dear Honorable Stephen P. Lowney,

Please find attached list of professionally supervised visit reports with my son Max Mars, compromised by impermissible pressure and defamatory falsehood allegations of unethical attorney Nancy L Roberts on emergency screener Dr Mary Rolison and professional supervisors (including Lorraine Ruiz).

Please also find attached list of evidence of impermissible pressure which unethical attorney Nancy L Roberts made on emergency screener Dr Mary Rolison and professional supervisors (including Lorraine Ruiz), with the goal to get redacted reports, made in favor of Nancy and her client.

Please also review attached fraudulent defamatory falsehood DVRO 09/13/2022, which Respondent and her unethical attorney Nancy L Roberts used to manipulate Court and abduct my son Max Mars, who after abduction with fraudulent DVRO Respondent held in undisclosed location, blocking all contact with my son, even phone calls, while Respondent attempted through fraud, falsifications and bribing judge Flint, to facilitate international child abduction of my son outside of the United States with threats to abduct and "bury our son in Ukrainian soil, so you will never see him again".

I appreciate if you could possibly review attached Respondent's DVRO from 09/13/2022 together with my opposing DVRO 09/19/2022 before proceeding with evidences of impermissible pressure on emergency screener and professional supervisors, to understand basis of the case - because matter of these DVROs was never heard by the Court, because unethical attorney Nancy L Roberts fraudulently dismissed trial on opposing DVROs, and later, bribed judge Andrea Flint refused to hear this matter, and refused to review any of more than 50 pieces of evidence and witness statements, forcing me to abandon my son and sign-off custody.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Dear Honorable Beth McGowen and Honorable Brooke A. Blecher,

I respectfully request that my case 22FL001144 be assigned to Department 72 and to be heard by Honorable Brooke A. Blecher.

Otherwise I do not feel it would be given its due regard, taking into account grossness superior with corrupt judges of Department 72: Hon. Stephen P. Lowney, who is requested to be disqualified from Superior Court, and previous disqualified judges (Tina and Tawny).

Please transfer case 22FL001144 to Department 72 accordingly.

April 8, 2024

Dear Kostiantyn Mars,

Thank you for your correspondence with the Court. I have received and reviewed your filed-endorsed stamped cover letter to Judge Blecher and myself. One of my responsibilities as Presiding Judge is to investigate and respond to complaints of misconduct on the part of our Judicial Officers.

The law does not allow parties in litigation to dictate what judge will hear a specific matter. Rather, cases are randomly assigned in part to prevent any party from selecting a particular judge. Therefore, your request that your case be assigned to Judge Blecher is denied.

As to your complaint regarding Judge Lowney, (and Judges Towery and Flint before him), I have investigated the matter and find that you have provided no evidence of the corruption which you allege. Your request that Judge Lowney be "immediately resigned" from the Superior Court is denied. Your request for a stay on all orders is not properly before the court and therefore is also denied. Should you wish to have an order reconsidered, you may move to do so pursuant to the law. You may also proceed with a timely appeal.

The law also prevents the video recording and audio recording of all hearing. For any exception to this rule, the Judge hearing the matter must execute a prior written order granting permission for the recording.

Finally, if you wish to make a complaint regarding an attorney, please contact the State Bar of California who hears such matter.

Thank you for contacting the court.

Respectfully,

A handwritten signature in blue ink, appearing to read "B. McGowen".

Beth McGowen
Presiding Judge
Santa Clara County Superior Court
